Do You Intend to Go Skating This Winter?

If So, We Are Showing Just the Right Dress

Stunning Jersey Dresses

which, as one customer expressed it, are just the right

kind of dresses for skating. Of course, everyone knows how warm a jersey dress is, and as the skirts are full

pleated, it gives the wearer plenty of room for skating.

One style can be had in navy, copen, tan and henna. And the other model includes those with skirts and

blouses of contrasting colors, beautifully wool em-broidery trimmed and featuring large brilliant tassels.

The latter style also includes many with gay plaid skirts and blouses of contrasting color, and to see them you will know they are just the kind of dresses

you have been looking for to wear when skating, hiking or any such delightful winter sports.

Of course, it makes opera as much of a social event as a musical one, but then it is a combination of the two and it will certainly delight every one to be able to sup and dance in that beautiful foyer after an evening of Caruso. Ponselle, Mardones and the rest of the great singers. I can hardly wait for November 30 to come, it all sounds so delightful to me. You see, there is a caterer there and the tables will be placed right in the foyer with space in the center left for dancing. There is something so dignified and beautiful in having a room with just beautiful in having a room with just the proper background right there on the spot, as it were, to go to after hearing a magnificent opera.
