FOR HOUSING CURE

Conference This Week at Harrisburg Will Consider Problem in All States

SMITH TO BE ONE SPEAKER

The housing shortage will be considered as a national problem at a conforence of governors this week at Har-

Most states of the Union will be rep- Court as an expert engineer?"

The problems in each state and plans on ten other days in succession you archaic and should be ignored.

delivered by Governor Smith, of New York, on housing relief legislation. nesday, Thursday and Friday and Cov-Sproul left this city yesterday corning for the state capital to prepare or the event. Lenders in municipalities throughout the state are watching the outcome of the conference with closest interest, especially in view of the Gov. rnor's expressed belief that the removal of the income tax wholly or in part

om investments in mortgages would result in immediate relief.

Stokes Indorses Plan The indersement of a program advanced by the Philadelphia Operative Builders' Association, by former Gov-ernor Stokes, of New Jersey, in his s before the Philadelphia Estate Board at the Bellevue-Stratford,

on Saturday, caused widespread comment and approval yesterday. John N. McGarvey, chairman of the builders, expressed his gratification and honers, making the total \$1008, that a man of such eminent standing . At 3 p. m., October 1, Kelm v executive committee of the operative is Mr. Stokes should have so strongly brought out the points which builders give been advocating for several months. Mr. McGarvey refrained from com-menting specifically upon Mr. Stokes' therough approval of the plan for using Liberty Bonds as a basis of new and liquid credit, because Mr. McGarvey is one of the first men who brought this

plan to public notice as a means for payroll. general business relief. "The address of former Governor from the court.

Stokes has offset the cronkings of some of our pessimists," said Mr. McGarvey. "and I am particularly impressed with his recognition of the fact that a sun-

ply of additional credit is about the only thing that will really aid the situation in a large way. Arraigned Reserve Banks 'Mr. Stokes arraigned the Federal Reserve banks for their attitude and the saloen, Long were a white apron. his statement that these banks in, a Long, you are drawing \$2000 a by the actual facts with reference to ectain trust companies within my own should be in court," he was told. If the constitutional provision were knowledge. Before these companies within my own to say?"

What have you to say? "

Would have you to say?"

The the constitutional provision were to be obeyed about six orphans' courts would be established, seating probably servance of Sunday provides, among other things:

"First, Hereafter it shall be unlawful the comployment of scores of attaches."

"First, Hereafter it shall be unlawful the comployment of the complex than the the Wederal Reserve the market for give me a little while to myself and I mortgages with those companies rapidly try to help around. Honest, I don't
