Two-Million-Dollar Failure

OF COUNTRY'S FOREMOST MAKERS OF

BOYS' CLOTHING

Brings Philadelphia Greatest Values Ever Offered

BAUMAN CLOTHING CORPORATION, INC., 110 FIFTH AVE., NEW YORK, failed for two million dollars—even after the receivers, appointed by the United States District Court, shrunk the inventory, there was over a million and a half in clothing, and goods were sold at Auction by Chas. Shongood, U. S. Auctioneer in bankruptcy, who accepted bids of Gimbel associates for—

\$413,000.00 of this Boys' Clothing

—at Bauman's scheduled prices. The great bulk of this tremendous purchase came to Gimbel's Philadelphia store, and will be—

All the styles will be shown in each place for a day or so—just buy where it is handiest.

Think of it!—quite the best clothing for boys that the country has known!—that was the goal of the Bauman Corporation; clothing of as distinctive character and charm as any of the great makes of men's clothing offer for grown folks.

Bauman had been making clothing for years—successfully—and the plan for this new national line was well conceived and would have won, but alas! the killing frost of crashed values this season. The mails brought in nothing but cancellations of orders. There was the clothing, nearly two million dollars' worth; there was the business organization—and maturing obligations.

The business was inter-state—New York corporation and Massachusetts producing plant. The United States District Court for the Southern District of New York, appointed receivers and an auctioneer representing that Court sold the goods.

The lots our experts chose averaged—

One-third the Bauman Established Prices

And such clothing!

All the trousers are completed with the famous "Live Leather Belt"—really rubber.

Every detail is carried out in a manner that—

Makes the Wearer a Regular Fellow

There Are Norfolk Suits for Boys of 7 to 19—Some of the Suits with One Pair of Trousers; Some With Extra Trousers

There Are Norfolk Suits in Extra Sizes—for Boys of 14 to 19

\$7.50, \$10, \$12.50, \$15, \$20, \$25

At each price—

Suits : Overcoats : High-School Overcoats : Reefers : Swagger Coats : Mackinaws

There are Junior Norfolk Suits for boys of 4 to 10 and Eton-Norfolk Suits for boys of 3 to 8.

There are Reefers for fellows as tiny as two years, and overcoats for strapping big brothers of 18 or 19 years. The Swagger Coats are for youngsters of 3 to 8 years and for huskier boys of 6 to 12.

Mackinaws are in sizes for boys of 6 to 20 years.

A simple tale speeds fast being plainly told.

There is nothing to excuse; the event is backed so heavily with merchandise that no thought of exaggeration comes.

We believe thoroughly that Bauman created a boys' line equal in excellence to any of the national lines for men; we know that we own the goods at a third Bauman's wholesale price list and that we are selling at prices very much less than even the dear "cheap" sorts of clothes fetch.

These clothes are wholly sewn with silk; the trousers are lined without developing podgy seams.

It is clothing for every mother's boy who would have been well served at the full prices. It was classable as costly clothing—it is offered at prices that will make eyes sparkle with delight.
