

GREEKS PREPARE FOR KING'S RETURN

Battle Fleet Ordered to Accompany Constantine to Port of Athens

PLAN 3 DAYS' REJOICING

By the Associated Press
Athens, Dec. 7.—Invitations will be extended to King Constantine to return to Greece, following the announcement of the result of Sunday's plebiscite, which is expected to be made tomorrow.

Plans for Constantine's return contemplated his sailing from Brindisi on board the liner Patria, which will be accompanied by the cruisers Kikis and Lamnos and a number of destroyers. When the squadron reaches Phaleron it will be met by 500 officers of the Greek army, who will accompany Constantine to Piræus. From that port Constantine will be brought to Athens. Three days will be observed in Athens. Three days will follow his arrival here.

The Greeks are maintaining a most friendly attitude toward foreigners, although women conducted a demonstration before the French embassy on Sunday.

Paris, Dec. 7.—(By A. P.)—With the object of refuting "inaccuracies and even injustices" which part of public opinion, misled, continues to accuse me," former King Constantine, of Greece yesterday suggested in the course of an interview with the correspondent of the Havas Agency at Lausanne that the League of Nations appoint an impartial committee to proceed with a public investigation of the events in Greece during the war.

The plebiscite which has just been concluded in Greece was a solemn manifestation of the bonds which unite my contemporaries and toward history not to challenge the accusations against me.

"I should like the fullest light thrown on the situation, and I should not offer opposition if the Greek Government went so far as to ask the League of Nations to appoint an impartial committee to proceed with a public investigation. I ask that my accusers act with the same honesty. The time has come to clear up public opinion and establish the truth, which for us represents justice."

Constantine received 68 per cent of the votes cast in Sunday's plebiscite, it is announced in an Athens dispatch dated Monday, received by the Greek legation here today.

The voters, it is added, numbered 800,000 more than the total taking part in the recent parliamentary election.

Tuesday Unlucky Day; Won't Notify Constantine

Lucerne, Switzerland, Dec. 7.—(By A. P.)—Former King Constantine, whose return to the Greek people in Sunday's plebiscite, said today he was expecting that the government would notify him to return to Greece as a result of the vote, but that he did not expect the notification to come today, because of the Greek superstition that Tuesday is an unlucky day.

"It is like your Friday," he remarked to the correspondent. "No matter what happens they will not telegraph today."

JAPANESE NAVAL VISITS

Cruisers Will Call at Several Chilean Ports

Special Cable Dispatch, Copyright, 1920, Santiago, Dec. 7.—The Japanese cruisers under the command of Admiral Funkakoshi will visit several Chilean ports in January, calling at Talcahuano, Valparaiso and Antofagasta.

Admiral Funkakoshi and his officers were entertained at a reception at the Chilean legation in Tokio before their departure.

At Ceylon the admiral invited the Chilean consul and his wife to a dinner aboard the flagship. Although ostensibly it is a cadet training tour the only other calls in South America will be in Brazil and Peru, where there are large Japanese colonies, and at the Falkland Islands, which are a British naval base. The squadron is due at Valparaiso on January 15.

TRUCE IN IRELAND FACES OBSTACLES

Irreconcilables May Be Able to Prevent Settlement, English Believe

By the Associated Press
London, Dec. 7.—Efforts to arrange a truce in Ireland was the dominating topic of this morning's newspapers, which printed many rumors gathered in Dublin and London. These showed intense interest in the situation and a widespread hope for definite results from the exchanges of views now understood to be going on.

One Dublin dispatch declared there was no chance of a truce while Arthur Griffith and the MacNeill brothers, prominent Sinn Féin leaders, were kept in prison, while another took the view that the irreconcilables of the Irish Republican Brotherhood really were in control of the situation and would be able to prevent any settlement which did not recognize their full demands.

It is pretty generally conceded that conversations have not as yet reached the stage of definite negotiations.

Times Questions Advisability of Dreadnought Program

Special Cable Dispatch, Copyright, 1920, London, Dec. 7.—The London Times, continuing its navy campaign, announces that it is evident the admiralty is committed to a new program of capital ships and declares the nation will learn this with shock and surprise.

The Times says the admiralty alone should not be allowed to decide and demands the appointment of a committee of experts such as was appointed by the late Lord Fisher in the spring of 1905,
