PEACE OR SWORD OFFERED TO IRISH BY LLOYD GEORGE

PRICE TWO CENTS

'Double Policy" Announced by Premier in Commons: Martial Law Planned in South

WILL GIVE SINN FEINERS SAFE CONDUCT TO PARLEYS

By the Associated Press

London, Dec. 10 .- Martial law to be applied to "certain areas" of Ireland to put down "murder and outrage" and a move to bring about conferences be tween the government and Sinn Fein leaders on the Irish situation were announced by Premier Lloyd George in

the House to Commons today. In announcing this "double policy of the government, the premier declared that under martial law persons found possessing arms after a certain date or anauthorized persons wearing uniforms

tiations, the premier announced the government had decided to give safe conducts to Sinn Fein members of the House of Commons who had not been involved in the commission of serious

Two or three very important docu-ments had come from Ireland in the last few days, Mr. Lloyd George continued. The most important, he said, was that from the Galway county council. was "the first area of dry land which had shown itself after the deluge of unconstitutionality in that country." This, he commented, marked the return on the part of an important body

o constitutional methods The communication, said the premier, was a welcome sign of a new spirit in rnment to encourage it, because an encouraging return to constitutional The resolution was carried he commented, against the protest the Sinn Fein leader in that area.

Not Ready for Peace

The government, said Mr. Lloyd George, was regretfully convinced that the section of the Irish population which controlled "the organization of violence, murder and outrage" was not yet ready for real peace; namely, for a peace which would accept the only basis eceptance of the unbroken unity of the

The communication of these trollers of outrage" were all conceived the spirit of an independent, belligerent power, offering peace to another in-dependent belligerent with whom they are at war and to whom they were in position to dictate, the premier said

Therefore the government had decided on a double policy. On the one hand the government felt, continued the premier, that it had no option but to continue and intensify its ampaign against that which was using murder and outrage in order to attain the impos-sible and which could bring peace neither to Ireland nor to Great Britain. Prisoner Alleged to Have Said He On the other hand the government the premier declared, would open and

> situation the there had been no nego tintions between the government and the Sinn Fein, but that the government

> during the last few weeks had been in touch with intermediaries and this had enabled the government to reach cer-The government, he said, was conin Ireland was anxious for peace and a fair settlement, and the government cas equally anxious for peace and a

fair settlement. With evidence at hand that the Irish section in control of the "organization of violence, murder and outrage" was not yet ready for real peace, the premier said the government felt it could take no course but to continue and intensify its campaign against this highly organized and desperate minor

In making announcement regarding martial law the premier said the gov-crument had been driven to the con-lusion, in view of recent incidents, that must take stronger action in certain

disturbed areas.
Side by side with the encouragement the government was anxious to give all those who desired peace—and they were growing in numbers and independence showing that intimidation was decreasing—the government was determined, declared the premier, to do all in its power to break up the terrorists.

Under martial law, said the premier,

a proclamation would be issued de-manding that all arms and uniforms be Who wants ONE HUNDRED DOLick, you are likely to bump into it in one form or other or into some of its progeny all through the rest of your life.
