THE Supper Club on Saturday night was crowded and was lots of funt to seems to grow in popularity each sight. And the next meeting will be on Christmas. I remember the last time Christmas fell on Saturday; the club was just jammed, about 400 members and guests attended.

Lots of people think it is a great idea to have a place to go for eats and dancing on Christmas night. You have family parties all day, and generally end up with dinner, and then you sort of want to keep up the festivities. What, then, is more fun than a dance send supper?

Of course, Christmas coming on Saturday, the next week the meeting will be on New Year's Day; so that will be fun, too. Mrs. Scott came over on Saturday from New York for the meeting this last Saturday. In fact, the is quite well again this year and has been present personally at all the meetings so far.
