Manufacturers' Cancellation Sale of FURS—Prices Cut 1/2

"We accept your offer of 50c on the dollar for our fine stock of Furs," said four prominent New York Fur manufacturers in response to our offer. It was a sacrifice, but they were compelled to accept. They had orders cancelled for thousands of dollars' worth of the finest quality Furs. They needed money. We needed Furs for our customers at a price we knew they would pay. We have the Furs. We're waiting to turn them over to you at the greatest savings possible. We've added our own rich stocks to this sale, marked down the price to an average of one-half-greater, in some instances -and invite you to take advantage of this wonderful money-saving opportunity.
