Judge Denies Pleas for Delay of Trials

Continued from Page One schedule. If Mr. Scott isn't here when his client's case comes up, we simply have to go along without him." Mr. Scott appeared in person, explained that a jury was waiting for him in the Federal Building and again pressed his plea for a continuance. It finally was granted. The case has been postponed

six times in the past.

Judge McCullen evinced his displeas ure at the failure of a jury, on which one woman served, to bring in a verdict of guilty in the case of John W. Foley yesterday by discharging one of the "the United States was the dumping ground of foreign manufacturers. jurors at the bar of the court.

Shows Displeasure Foley was accused of having driven "bandit car" which figured in two hold-ups and two encounters with the police in a single night. The jury was dismissed finally and Foley placed un-

der \$15,000 bail.

Judge McCullen ordered Court
Crier Levi C. Hart to bring Fred C.
Murry, a Negro, and a member of the
Foley jury, to the bar of the court. He was juror No. 7.
"What is your occupation?" the

judge asked the juror "I am a waiter, your honor," Murry answered

"Where do you live?"
"At 302 North Twelfth street."
"What ward is that?"

"The Fourteenth, your honor."
"You are excused from further serv ice as a juror in this court." said Judge McCullen. He made no allusion to the failure of the jury last night to reach a verdict. It was apparent, however, from his demeanor that he was upse over the mistrial. The charge made yesterday left little room for an acquittal, although the judge was careful to instruct he jurors to give the prisoner the benefit of any doubt that might aris

OOD—if you can go to hear Rach-I maninoff in his coming recital at the Academy of Music tomorrow afternoon!

Better—if you come here and listen to the great Rachmaninoff comparison on our Edison Turn-Table.

Rachmaninoff will show you which is the best phonograph. He has made RE-CREATIONS for the New Edison. He has also made recordings for one of the talking - machine companies. We are glad he has done so. This gives you the chance to compare.

And we want you to compare!

Make your comparison by means of our Edison Turn-Table Comparison. It is absolutely scientific. It enables you to hear the New Edison and three leading talking-machines under precisely the same conditions. You are the sole audience—the sole judge.

Come in and hear it—see which phonograph gives the real Rachmaninoff.

Notice to Manufacturers and Representatives

The talking machines used in these tests are kept by us in the best possible condition. Manufacturers of such machines or their representatives are invited to inspect them or regulate them or to substitute other machines of the same make, of their own selection, of equal or greater value, at any time during business hours.

Note: The Edison Turn-Table Comparison is given only on request. Ask for it.
