Ident's Health is Good

Dr. Francis X. Dercum, Philadelphia neurologist, visited the White House of the Supreme Court, who has been yesterday and saw President Wilson in confined to his home with a severe cold.

T. Grayson, the President's personal physician. "The President is in very good health," said Dr. Dercum after the visit. "My trip to Washington yes-terday was made in accordance with an arrangement I have with Dr. Grayson to see the President in a professional

Mr. Clearfield left his home with the members of his family shortly after 3 o'clock in the afternoon and upon returning home at midnight found a rear window open on the first floor.

The section of the President in a professional capacity every few months.'

Dr. Dercum was one of the physicians who attended President Wilson all through his serious illness last year.

President Wilson is now able to work through his serious illness last year.
President Wilson is now able to work After making an investigation he found that a safe in the parlor had been broken into and Liberty bonds valued at \$150 and watches and jewelry valued at \$810 had been stolen. Detectives Hart and Logan, of the Twenty-sixth and York streets station, who have been working on the case, stated that nothing had been disturbed in the house except the safe and that all the jewelry stolen had been fully covered by insurance.

A women's linen shop conducted by Mrs. Hanna Fletcher, at 6357 Germantown avenue, was entered last night and women's wear valued at \$500 stolen. While Mrs. Fletcher was away at church the intruder forced open a rear window and ransacked the small shop.

had been fully covered by insurance.

Early last night a side window of the home of Mrs. John J. Taylor, at 238 West Johnson street, was opened and silverware valued at \$55 was stolen.

international firm of Morgan & Co. as the power behind the throne.

"The Pennsylvania Legislature possesses the power to relieve the situation but the question is will it do it?" said Mr. Lauck, concluding the interview.

"The Pennsylvania Legislature possesses the power to relieve the situation but the question is will it do it?" said Mr. Lauck, concluding the interview.

"The Pennsylvania Legislature possesses the power to relieve the situation but the question is will it do it?" said Mr. Lauck, concluding the interview.

"The Pennsylvania Legislature possesses the power to relieve the situation but the question is will it do it?" said Mr. Harding wants a western man in the being secretary of the treasury, for Mr. Harding have been one as upon his relations with the politicians, about whom he is greatly disflusioned. He would have named any form the one he would have named in November. There would be fewer politicians in it now than there would have been once.

When the selection is finally made that the cannot please that we cannot please that the cannot please that the cannot please that the cannot please that the cannot please that he cannot p coal to the War Department last summer as contained in a report of the Senate committee on reconstruction were taken today by the Department of Justice.

the deficit of nearly \$2,000,000 which confronted the party at the end of the campaign. These detractors of Mr. Hays speak of him as a Y. M. C. A. secretary or college cheer-leader, rather tice. the occupants. by Armed Bandits layestigators of the department were than a politician. A good many per-

tectives two hours later at Ridge and

that the Senate committee's report gave only the names of the companies, with the various prices charged the War Department and the cost figures, and that it would be necessary to study the transactions of each individual company with the War Department before there could be a decision as to whether prosecutions under the Lever act would be justified.

In this correspondence it was necessary to study the transactions of each individual company with the most likely representative of the national committee in the cabinet. The suspect is Robert Druscoll, of Nicholas street near Twenty-fourth. Carr was so badly beaten the police took him to St. Joseph's Hospital. He was robbed of a ring and \$7.

Five men were arrested early today. Five men were arrested early today,

charged with smashing a window in the Hanover shoe store, 314 North Eighth dicted several days ago that not all these four politicians would be found in the cabinet. The prediction still bolds good with greater force today.

The result of his encounter with pat.

The result of his encounter with pat.

The result of his encounter with pat. Patrolman Barnes, of the Tenth and

Patrolman Barnes, of the Tenth and Buttenwood station, discovered the broken window, and upon investigation found the store had been entered. The floor was littered with shoes and boxes The result of his encounter with pat-ronage-hunting and with the oppo-sition of the Senate to his method of settling the foreign policy by confer-ences with the best minds, while dis-agreeable to Mr. Harding, has been wholesome. The President-elect is on which had been pulled from the shelves.

the United States Senate committee, Mr. Lauck imparted the information that when the Calder committee held sistants and data to appear on behalf like a lot of waiting coal operators present, called upon. It is possible that later he will appear before these same investigators. "The Calder committee is talking of compelling every coal operator and corporation hereafter to file statements of tics," he said. "What is your opinion about it as means of halting present evils?" I

W. JETT LAUCK Economist for mine workers, who declares that Morgan & Co. hold the anthracite price problem in

bituminous men made a fight on the ruling and it was knocked out. "Some of the bituminous concerns situation, or the bituminous either, although Senator Calder's committee They are commonly referred to as the seems to have that pretty well in hand, four politicism members.

and that is, it must not be hurried. It with the federal trade commission, but anthracite men now refuse to subshould be exhaustive. That would re "If the Calder committee recommends

"If the Calder committee recommends this, it will be merely returning to the old practice. It was never successful or satisfactory. All the present evils grew up regardless of and in spite of it. It would afford no relief, nor would it halt present practices."

"Why do you specifically mention the Morgan firm in connection with any inquiry into anthracite coal matters? There are other great financial interests identified with the production and transportation of coal." I asked Mr. Lauck.

This does injustice to ex-senior Weeks, however, who is primarily an able business man and experienced public servant with unusual qualifications for the cabinet and only secondarily a politician.

Now, over each one of these names transportation of coal." I asked Mr. Lauck.

whom they perhaps regard as to-erful, but there have been ple "Go into an exhaustive expose of the firm of Morgan & Co. has, through its erful, but there have been plenty of whole situation. Drive right back to the affiliated financial institutions and signs that his appointment as attorney controlling power that holds this whole through interested and sympathetic general would provoke criticism. Many anthracite problem in its grasp, the firm boards of control or directors, been able to control if not to direct the produc- to be attorney general would provoke criticism. Many boards of control or directors, been able to control if not to direct the produc- to be attorney general is embarrassing of Morgan & Co.

"I would show, and it is possible to control if not to direct the to so, how Morgan & Co. by its affiliated financial concerns absolutely conCompanies Follow Own Pa to be attorney general is embarrassing Mr. Harding, who would doubtless pre-fer to give him some other position in the cabinet.

Companies Follow Own Paths

Mr. Weeks has enemies—and influen-tial enes—in Massachusetts. His ap-pointment to the cabinet would displease "I would not say that these great thracite mining business.
"This fact, which is clearly apparent to any one who has studied the matter, should be brought to light prevail in the coal trade. Individual "This fact, which is clearly nopersons with whom Mr. Harding espematter, should be brought to light. Every individual, from Mr. Morgan down, should be put on the stand and own pathway, yet with a perfect underown, should be put on the stand and cross-examined.

"Then, and not till then, will the facts be disclosed how a vast and elaborate system of directorates, while not interlocking are interwoven in mutual interest, work harmoniously to the control of the anthracite trade.

"Financial institutions like Morgan & Co. look for results. The accomplishment of these results are left to execufaults of Mr. Weeks. He has probably standing that does not require boards heard, as he did in the case of Ellilu of strategy, or even meetings, to decide Root, who was the victim of a cabal

"Following that, and based on the disclosures made, remedial measures can be taken to end the present situation and system, so far as the public is concerned," said Mr. Lauck.
"Every legislative, or other investi-"Every legislative, or other investigation, however, will be more or less out with authority to summon and pun-"If a legislative investigation starts of a failure unless it goes to the root out with authority to summor of the trouble, unless it goes at the work honestly, persistently and uningenerally invested with full penerally invested with full p production of books and papers, and duenced from any source whatever.
