

TOY WAGON STARTS SERIES OF MISHAPS

Boy Coasts 'into Horse-Drawn Vehicle—Horse Runs Away and Collides With Another

WOMEN IN AUTO ACCIDENTS

Santa Claus was responsible for the injury of two boys in West Philadelphia last night. Rather it was a combination of Santa, two boys, two horses and a horse-drawn wagon. One boy was thrown from the wagon and sustained injuries in automobile accidents in different parts of the city last night. One woman was hurt by a motorcar. The other was hurt when the automobile in which she was riding was struck by a trolley car.

Albert Penny, nine years old, 409 North Horton street, received a corner sprain wagon—born Santa Claus. Last night he was coasting at Sixty-second and Callowhill streets, and coasted into a horse and wagon, driven by Louis Brown, of Ardmore.

The horse ran away, and Brown was thrown in the street, but escaped injury. The animal collided with Tony Durn, fourteen years old, of Fifty-seventh and Vine streets, who was riding another horse.

Tony was thrown by the collision and received a broken wrist. Penny was cut on the face and hands. Both were treated at the West Philadelphia Hospital. The coaster wagon requires treatment in a repair shop.

Mrs. Sarah Ferries, seventy-five years old, 2443 North Philadelphia street, was struck by an automobile driven by Samuel Halpern, 463 North Second street, at Broad street and Columbia avenue. Mrs. Ferries, after treatment by a physician, for cuts, was sent home, and Halpern arrested. He will have a hearing at the Eighth and Jefferson streets station.

have a hearing at the Eighth and Jefferson streets station.

Mrs. Mary J. O'Hole, thirty-five years old, 7074 Rising Sun lane, suffered internal injuries when a trolley car struck an automobile in which she was riding in Fox Chase.

Mr. and Mrs. O'Hole were in the car when it stalled on the trolley tracks. The motorman could not bring the car to a stop in time to prevent a crash. Mrs. O'Hole was treated at the office of a Fox Chase physician and was later taken home.

NEW BOY SCOUT BRANCH

Italian Juveniles Here Organized in Starting of Drive

Italian boys of this city have organized a branch of Boy Scouts.

Training of the new organization will be by Constantine Constantino, for years an officer in the Italian army.

Dr. Charles D. Hart, chairman of the Philadelphia Council of Scouts, is guest of honor at a dinner last night in celebration of the founding of the new scout branch.

Chevalier G. Silenzi, Italian consul here, said formation of the Philadelphia council is but the start of a movement which will soon result in forming Italian Boy Scout contingents in virtually all the eastern states.

Authorities of the Boy Scouts of America have given permission that the Italian language may be used in addition to English in training. Permission has also been given that the Italian flag may be used in connection with the flag of the United States.
