

DEMPSEY AND CARPENTIER ARE STAGING A GREAT BATTLE TO PROVE THEIR MATCH IS NOT OFF

CARPENTIER-DEMPSEY BOUT OFF AS FAR AS U. S. IS CONCERNED; MAY BE HELD IN FOREIGN CLIME

By ROBERT W. MAXWELL,
Sports Editor Evening Public Ledger.

QUITE a little excitement was caused yesterday when it was announced that the Dempsey-Carpentier match had been called off.

More excitement came when Tex Rickard said some one was talking through his Mackin, and the big fella would be held as per schedule.

The entire public learned later in the day that every body had posted forfeits in the Bob Edwards, the stakeholder. Edwards came to him with a statement that he had not seen any of the money as yet but "understood" the tough had been placed. Conflicting stories poured into the office all day, and at the end it was learned that the match would NOT be held in New York and probably would be settled in a foreign clime.

Calling off the Dempsey-Carpentier match was no startling news. This has been known for some time—ever since the New York Boxing Commission limited the price of tickets to \$15. There wasn't a chance to stage the battle after that. The purse was too large, and the only way was for Rickard to break even was to sign the men for a hook and ladder matinee card.

But the important news was the announcement of Rickard that as far as New York is concerned, the championship will be held in Canada.

We already have decided on Saturday, Feb. 2, as the date for the bout," said Tex. "I will tell at that time so far as Canadian rights and arrangements can make it certain. No one has been sent over yet for the bout, and while I would like to stage the match in our New York, new regulations or conditions may make it necessary to shift to Canada or elsewhere. We should hold the championship in Canada."

The chances are that Tex has been won't about the match because of the enormous expense connected with it. A large and expensive orchestra is necessary to make up that \$500,000 purse, and it cannot be done at \$15 per. It is said that Rickard intended to have one set of \$100 and expected to get away with it. Now the stuff is off so far as New York is concerned, and the promoters fear that other states will take similar action as to limiting the price of tickets.

Charles H. Charkiewitz, a statement issued in London, said he would offer 100,000 pounds sterling for the battle and stage it in England. Charkiewitz said that he learned Carpenter's fight was posted by France and the authorities would not allow it to be made in the country.

Therefore we have the Dempsey-Carpentier boxing match, and all around. The only difference is that it will be held in some country outside the United States, and the two combatants will be paid the same amount.

Heinic Groh Is Not for Sale

GARRY HERMANN, president of the Cincinnati Reds, still holds, as ever, and unbroken these days. The persistent rumors that Heinie Groh is to be sold to New York have got no traction, which is another way of saying Angora. Heino was supposed to be on the market for several weeks and the Reds were waiting for the top price before parting with the star third sacker.

Tony Groh was in a giddy wrath and stated that Groh was not for sale. He belched a walloper to the gossips who have sold him to too many papers and hopes that the matter will end amicably.

"Heinic Groh will not be traded away," shouted Hermann, "and would be taken up on Cincinnati by any other ball club. That, I trust, will wash the ever-recurring headache about his going to New York.
