## THE PEOPLE'S FORUM

### Letters to the Editor

To the Editor of the Evening Public Ledger: Eir—At a meeting of the Lawrence E. Delaney Post, No. 26, American Legion, Derartment of Pennsylvania, on January 13, 1921, a motion was passed that the adjutant be instructed to write you commending you upon the publication of the article on "The Disabled ex-Service Man," accompanied with the cartion by Sykes published. n your paper on Monday or Tuesday of this

It is the publication of such articles and carloons that will bring the people of the whole United States to a real understanding of what should be done for the men who risked their lives for those who remained at home, and the contract of the state of at home and who now need immediate medi-cal and financial assistance more than they ever needed in their lives before the war.

Assuring you that the continuation of such articles will eventually arouse public interest which will have great effect in bringing about the proper legislation in Washington that will concerning ion and give the ex-service men a square

medical supplies and work.

of The Literary Digest.

WORTH \$10 TO YOU?

When Mr. Herbert Hoover wrote to The Literary Digest

in October, telling of the desperate condition of three and half million children in Europe, and of the threatened inter-

half million children in Europe, and of the threatened inter-ruption of the work of his organization because its resources would be exhausted in January, he said that he had arked other American organizations to lift the further responsibility of this work from his shoulders, but that up to that time none

The Literary Digest was profoundly stirred by the call of this great emergency and decided to consecrate its entire energy to the task of arousing the American people to uphold Mr. Hoover's hands in this life-saving work. We immediately published in our issue of October 30, an editorial appeal entitled "The Slaughter of the Innocents." and called for prompt subscriptions by our own readers and Americans everywhere to the Child-Feeding Fund urgently needed, starting the Fund ourselves with a large cash contribution. On the very first

ourselves with a large cash contribution. On the very first appearance of this appeal President-elect Harding gave a wonderful impetus to the Fund by his splendid telegram of endorsement, and his contribution of \$2,500 to care for 250

We published the appeal in more than three hundred leading newspapers throughout the United States and telegraphed to more than two thousand newspapers urging their editorial support, which was royally given. Immediately following this

support, which was royally given. Immediately following this nation-wide appeal, which The Digest has continued intensively and without interruption every week for three months, the heart, and mind, and proper pride of America responded to the call, the members as well as the officers of other great

benevolent organizatious felt that this was also their opportu-

benevotent organizations tell that this was also their opportunity, the difficulties which Mr. Hoover had previously experienced disappeared, and he found it possible to complete a consolidation of eight of the greatest relief organizations in the country for a combined campaign to collect the SCL000,000 needed to feed the starving children of Europe and to provide medical combine, and work.

State and city organizations were quickly formed in every

State and city organizations were quickly formed in every part of the Union, and the money began pouring in from the American people who are now thoroughly aroused. Nearly half of the total of \$33,000,000 is now raised; but the other half is urgently needed within the next 30 days to be effective. Remember, \$10 saves the life of one child. Every American whose eye rests on these words should not let a single day pass without sending a contribution for this life-saving work. We are asking all our readers to co operate in every massible.

We are asking all our readers to co operate in every possible way with the local organizations and to send their contribu-

tions to their State Treasurers instead of direct to The Literary Digest, because it is impossible to continue printing the long lists of contributors in the overcrowded columns

Give generously and give promptly to this emergency relies to save the lives of Europe's starving children.
