

5 O'CLOCK CURFEW  
MAKES CORK A JAIL

City Resembles Huge Prison as  
British Enforce Strict  
Military Rule  
MERCHANTS ARE HARD HIT

Cork, Jan. 24.—Ninety thousand citizens of Cork confined to their homes since 5 o'clock Saturday by the new curfew order, filled the streets yesterday taking aimless promenade exercise for a few hours. All were back inside their homes with closed doors at 5 o'clock last evening and they remained until morning.

The new confinement order operating on Saturday and Sunday from 5 o'clock each evening makes a huge prison of the city. In the slum areas, where the families are crowded in tenements, the order presses harshly on the children and the small ones, who are allowed only in the evening until morning.

Two boys were wounded, one of whom later died, when troops enforcing the curfew order fired on some persons in the vicinity of Shandon street last evening, presumably because they failed to halt when challenged.

Dublin, Jan. 24.—The week-end in Ireland was marked by further bloodshed. A total of eight men were killed and two wounded, according to Dublin Castle reports.

These constables were fired on near the barracks at Moanaghan. Two were killed and the other was seriously wounded. The constable, who was shot in the country Saturday night. Upon their failure to return, a searching party was sent out for them. The bodies of Heagerty and Taylor were found lying in the road about a quarter of a mile from the barracks. They were riddled with bullets, having, apparently, been fired into as they lay on the ground.

Constable Clark was not found until yesterday, when he was discovered in an unconscious condition in a building near the spot where the bodies were found.

Norfolk, Va., Jan. 24.—(By A. P.)—Dean J. O'Callaghan, lord mayor of Cork, who came here as a stowaway without a passport, returned here today and Judge Joseph H. Lawless, counsel, announced that he would be deported late today to the immigration inspector, as ordered by Secretary Wilson of the Labor Department.

Judge Lawless said O'Callaghan would not be immediately deported, but would be granted a "seaman's certificate" which would give him the right to ship aboard an outboard vessel at his choice, should he wish.

London, Jan. 24.—(By A. P.)—Sir Edward Carson is expected to resign the membership of the province of Ulster and also intimate his withdrawal from Irish affairs when he receives an Ulster delegation tomorrow, says the Daily Mail. He will continue his interest in Ireland, the newspaper declares, "simply as a well-wisher from England."

Belfast, Jan. 24.—(By A. P.)—The Rev. J. A. Irvine, a Presbyterian minister who spoke in the United States with Emmott de Valera, during the latter's tour, has been arrested, it is learned here today.

Paris, Jan. 24.—(By A. P.)—Sean O'Connell, representative here of the Sinn Fein, today refused to confirm or deny reports received here from London that Emmott de Valera, the Irish Republican leader, is in Paris.

"I have nothing to say about it," said O'Connell, "but it might not do us harm to have a look around. You never can tell whom you might find."

ELEANOR CHRISTY

ELOPES WITH HIS WIFE

Eleanor Christy's Divorce Action Ends and Pair Renew Honeymoon

New York, Jan. 24.—By eloping with his wife who was suing for divorce Bernard Granville, musical comedy star of the Ziegfeld "Follies," has forestalled a final decree by the courts. Granville and his wife, Eleanor Christy, former star of the "Follies" and "Experiment," are believed to be now on their way to Paris and a second honeymoon.

Granville's apartment in the Westside Hotel, Granville found reconciliation with his wife, proposed a trip to Paris and the couple shortly afterward left for the Murray Hill Hotel. Miss Christy carried only a handbag. Her trunk remained at the hotel. Granville said she could get all the clothes she needed in Paris.

The couple left for some steamship before noon, said a clerk at the Murray Hill Hotel.

WILSON RECEIVES SYRIANS

President is Presented with Plaque by Brazilian Delegates

Washington, Jan. 24.—(By A. P.)—President Wilson received today a delegation of Syrians from Brazil who presented to him a plaque as a token of the gratitude of the Syrians in Brazil for his efforts in behalf of small nations and for the help extended Syrians during the war by the American nation.

The plaque is of hand-carved Cretan walnut, upon which is mounted a gold tablet inscribed with a testimonial and engraved with the American coat of arms. The plate is encircled by thirteen diamonds. N. J. Naimy, chairman of the delegation, made the presentation address.

MAD MULLAH'S POWER ENDS

Washington, Jan. 24.—(By A. P.)—Complete destruction of the power of the "Mad Mullah," native ruler of Somaliland, Africa, and for thirty-four years a problem to British authorities, was accomplished within three weeks' time by less than 200 airmen and eleven fighting planes, according to an official report on the operation just received here. Bombed out of their strongholds, the natives were pursued and all the leaders except the Mullah captured or killed, the report stated.

JAPAN IS SATISFIED  
WITH NEGOTIATIONS

Premier and Foreign Minister Say Historic Friendship With U. S. Unshaken

CALL "LAND LAW" UNJUST

By the Associated Press  
Washington, Jan. 24.—Negotiations between the Japanese and United States Governments for adjustment of issues arising from anti-alien land legislation by the state of California were viewed as satisfactory and hopeful by Premier Hara and Foreign Minister Uchida in addresses Saturday at the reopening of the Japanese Diet.

Premier Hara declared the exchange of views, now in progress through Baron Shidehara, Japanese ambassador here, and Roland S. Morris, American ambassador to Japan, were proceeding "in a most friendly spirit for an amicable adjustment of the question." He added that the Japanese Government "was confidently looking forward to a satisfactory settlement."

Premier Hara declared he was happy to note "the ever growing cordiality in our relations with all foreign countries."

Foreign Minister Uchida, who devoted more attention to the negotiations with the United States than did the premier, told the Diet that "a frank and free exchange of views has been proceeding on various points involved in the question. We confidently trust that an adjustment compatible with the honor and interests of both countries may be finally arrived at."

Viscount Uchida gave the Diet an account of the recent meeting of the League of Nations Assembly, saying: "As a matter of principle, disarmament is to be welcomed for the general welfare of the human race and the Japanese Government is paying special attention to the question. The matter, however, has very important and complex bearings upon the interests of each nation and it is to be apprehended that realization of this end may be found impossible unless all nations act in harmony and in good faith."

OPPOSED DU PONT WEDDING

Rector Who Officiated Didn't Know Bishop Refused Approval

Los Angeles, Jan. 24.—The Rev. R. P. Lee, who officiated at the marriage ceremony in this city Saturday for Miss Jessie D. Ball and Alfred L. du Pont, of Wilmington, Del., said yesterday he did not know Mr. du Pont had been divorced or that Bishop Johnson had declined to give his approval for having the ceremony conducted by any Episcopal minister in his diocese.

Thomas Ball, brother of the bride, said Bishop Johnson was only asked to grant a concession for the marriage, and that being declined the matter went no further.

The Rev. Mr. Lee said he had not seen or conversed with Mr. du Pont until the latter came to his house and asked him to perform the ceremony, which he did a few minutes later.

It was planned to have Bishop Johnson perform the ceremony in St. John's Church, assisted by the Rev. R. S. Stephens, but the bishop refused the request.
