CALDER CHARGES GIANT COAL GOUGE

Public Mulcted Out of Billion and a Half Last Year Senator Declares

LUMBER PROBE NEXT WEEK

By the Associated Press Washington, Jan. 25. - The opinion that the American people were "muleted" of a bil ion and a half dollars last year "by the men in the coal

trade" was expressed today by Senator Calder, who was a witness before the Senate committee considering his bill for federal regulation of the coal

"Very well, how about the flour men. the shoe men and some of the rest? asked Senator Reed

'Yes, yes." replied Senator Calder, "but this trade is the one we are starting with, Coal is a necessity." Senator Calder is chairman of the

Senate reconstruction committee, which has investigated the coal trade and which, it was announced today, will be-Senator Calder appeared before the on a property.

drawn to drive coal d rect from the coal tiny

lating in price by the profits and com-missions involved and these provisions are intended to tax this kind of business out of existence.

Senator Reed questioned the right of Congress to use the taxing powers for such a purpose and a long constitutional argument resulted. Senator Calder said that before the investigation ended there that before the investigation ended there that before the investigation ended there.

ing in its path.

The flames then leaped across to the west side of Wall street to the building occupied by Michael Bros., wholesale in the city who does not know the first in the city who does not know the first than the best gowned girl in the city who does not know the first than the city who does not know t the agreement of October 1, 1910, but and retail day goods merchants. This thing about the manner in which her it did say that the agreement of September 2, 1919, was 'entered into for the destroyed. From there the fire spread The Mayor also took occasion to comto Jackson and Clayton streets, sweeping everything in its way to College tical things.

Hundreds of persons struggled to save their property from buildings threatened by the flames, and the streets adjoin-ing the fire area were soon jammed with wagons, trucks and even wheelbarrows oaded with merchandise and furniture securing taken from stores and offices surround-

Adding to the confusion and difficulties was a weakened water pressure at the fire pings, but this soon was over-come when extra facilities at the reser-voirs were brought into use. Finally, after more than five hours of battling, the firemen managed to check the flames and hold them to the buildings already practically destroyed. It was daylight, however, before the conflagration was safely under control.

\$1,000,000 FIRE LOSS IN NEW HAVEN BLAZE

New Haven, Conn., Jan. 25 .- Fire. which destroyed the building of Mendel & Freedman, a department store in Chanel street, and spread to severa' adjoining structures carly today did amage estimated at \$1,000,000. The fire was brought under control after three hours' hard work by firemen in zero temperature.

The H. M. Bullard Co., furniture store caught fire from the sparks from the Mendel & Freedman building Spreading to the rear the Chatfield Paper Co.'s structure was also dam. nged. The high wind raging at the time caused the flames to spread across the street, causing considerable loss.
