

# NEW JERSEY GUARD OFFICERS RESIGN

Dissatisfaction Over Appointment of General Borden Culminates in Open Break

SAY HE LACKS EXPERIENCE

Every officer of the Third Regiment, National Guard of New Jersey, with one exception, has resigned or has tendered his resignation.

The action of eighteen of the officers is the result of a sympathy move following the resignations of Colonel William S. Price and Lieutenant Colonel Edward B. Stone, both of whom retired because they were not in sympathy with the appointment of Brigadier General Howard S. Borden. The resignations of Colonel Price and Lieutenant Colonel Stone were accepted late yesterday.

The resignations of the other officers have been filed.

The single officer who has not given official notice of his retirement from the regiment is Major John Leonard, of Elizabeth, N. J. It was said at the armory in Camden, today, that Major Leonard's resignation also will be forwarded.

The trouble in the regiment, which has created a distinct sensation throughout New Jersey, is not a matter of personal feeling against Brigadier General Borden. It is based, reports from the retiring officers indicate, on the opinion that he lacks essential military training and that "it would be a waste of money to attempt to develop an efficient military unit by efforts of an officer who does not have that training in entirety."

The men whose resignations closely followed those of Colonel Price and Lieutenant Colonel Stone, are:

Major C. Burr, of Trenton.

Captains George S. Selby, of Camden; Albert S. Howard, of Camden; Samuel Brown, of Camden; Ernest Burnett, of Burlington; Harry Shropshire, of Millville; Jonathan Kirschhoff, of Bridgeton; and Robert Peacock, of Mount Holly.

Lieutenants Walter H. Bacon, of Bridgeton; Charles M. Burr, of Trenton.

First Lieutenants George W. Powell, of Camden; William Loder, of Bridgeton; Charles C. Adams, of Vineland; Frederick Cain, of Mount Holly.

Second Lieutenants W. E. Spofford, of Camden; Harold Bennett, of Camden; Clifford Mixer, of Millville; and George Akins, of Mount Holly.

was hurt by the collision, and Mrs. Mason was injured by being struck by the motorcycle as it was hurled to the sidewalk from the impact of the automobile. Howard McClure, 5501 Wilkins avenue, driver of the automobile, was arrested.

Patrolman Thomas Gill, of the Manayunk station, while being instructed yesterday in the operation of a motorcycle, fell from the machine and received cuts and bruises on the body.

Miss May Streeter, 1502 South Fifty-second street, suffered a fractured leg when she was struck by an automobile at Third and Dock streets last night.

## 2 HURT IN MOTOR MISHAP

Motorcycle, Hit by Car, Hurled to Walk—Driver and Woman Injured

Mrs. Rose Mason, 920 North Fifteenth street, and Edward C. Thompson, Ridge avenue, near Eighteenth street, were hurt last night when an automobile collided with a motorcycle at Fifteenth street and Girard avenue. They were treated for injuries of the head and body at St. Joseph's Hospital.

Thompson, driver of the motorcycle,

## FEBRUARY SALE

WE REDUCED our entire stock of Furniture late in 1920, cutting down our fair profits, lowering our prices to the new market level, based on prospective lower cost at the factories. Manufacturers say no further reductions are anticipated in the manufacturing market for months to come, yet we have REDUCED OUR ENTIRE STOCK AGAIN for this Sale.

THE SECOND REDUCTION for the February Sale, following so closely on our first reduction, makes this an event entirely without counterpart or precedent. Please remember that each price-ticket shows the former, REDUCED PRICE, from which 33 1/3 or 50 per cent. is to be DEDUCTED when you make your purchase—a double reduction.

## Our Entire Stock Was Reduced From the Prices of 1920 And Now We Make Another Reduction of 33 1/3 Per Cent.!

No Reduction Less Than 33 1/3 per Cent. from the New Lower Prices, and Some Special Lots at 50 per Cent. Reduction! Our Entire Stock at a Double Reduction! Now You Can Compare Values in All the Sales!

THIS February Sale is unique. Up until a few years ago our Sales were provided for largely by close-out lots and sample lines from manufacturers. We have some remarkably attractive special purchases for this Sale also. But the unprecedented feature of this Sale is that it is made up principally of our regular stock, and OUR ENTIRE STOCK—beautiful,

new, well selected, wonderfully varied—is marked at a DOUBLE REDUCTION—reduced at the end of the year, and now reduced again. COMPARE. To-morrow will be the second of the Inspection and Comparison Days. Selection may be made for delivery in February.
