> New York, Feb. 3 .- Work of constructing the open air arena for the proposed bout between Jack Dempsey and Jesa Willard on Labor Day will be started in a month, Tex Rickard. the promoter, announced today. He said he had several sites near the city under consideration and would soon announce his selection. The arena will

sent at least 50,000 persons, he said, and several important matches will be held in it before the Labor Day engagement. A dispatch from Lawrence Kas., quotes Jess Willard as saying the post-ponement of the match with Dempsey

is agreeable to him.
"It's news to me, but if Tex Rickard wants to me, but if lex kick-ard wants to postpone the bout until after the champion's match with Car-pentier, I am willing," he said. "When I left New York nothing was said to me about a postponement." Willard plans to go to his farm near

Topeka for a few days and then return to the East. The postponement of the Dempsey-Willard bout from March 17 to Labor Day was announced yesterday by Rick-ard. Tex said:

"For various reasons I have decided to postpone the Dempsey-Willard bout until Labor Day, September 5. While both Dempsey and Willard are eager and willing to observe the original contract and meet at Madison Square Garden on March 17, I have decided that the contest can better be staged in the open air following the Dempsey-

Carpentier contest on July 2.

'The surprising demand for tickets for the Willard Dempsey bout clearly indicates that Madison Square Garden would accommodate only a fraction of those who desire to see the bout. "I shall therefore erect a large openair arena for the international contest stage a match between Willard and the winner of the Dempsey-Carpentier bout under the existing con-tract.
