He said his department would make a definite statement late this week.

Many foreigners own stock in the Hanco Nacionale, and its restoration to business is considered of vast importance. It is understood President Obregon's decree will stipulate that the bank shall be at present revived merely as a private institution, and it will not be allowed to issue paper money until Congress enacts a law providing for such work.

The New York coffee and sugar to change makes the world's visible such that the year of the month of
