Forward! Using the lessons of recent experience.

EXPERIENCE is a lamp that lights only the stern of the ship," says a French proverb. That is, we are so slow that by the time we have learned from experience what to do, the opportunity to do it is past.

In the last few months lumber prices have had a tremendous fall. Experience proves that after such a fall always comes a reaction.

Are these the signs of a coming re-action? Our "concentration yard" at Sumter, S. C., enables us to gather from the surrounding mills great stocks of building lumber at low cost, and to ship it at just the right moment.

Some day you'll build. If you want the work finished on time, see that the lumber comes from LLOYD.
