CHAPTER XLYD the Birth of "Sunnyville"

mein of "Sunnyville"

In a meeting in Mossy RernPresent were Mr. BernII, in a new white waistenit;
of Barstowe's Regims in a
security read and loose check
Paulicy Viscount Debrington
ribur Cartias, both dressed in
saste: Mr. Johnson from the
lory a fully ill at case and
such speciely; and, finally,
riby, who was teither ill at

TO THE

WHEN I compare you with myself, with the with mine—but there is to compare you can do everything. I see compared with you are in a helpices, loopless is as all that it with a helpices, loopless is as all that it will you are in a helpices, loopless is as all that it will you are in a helpices, loopless is as all that it will you want, the compared you want you want the sale of the part of the sale in the part of the

Interest of the same and the bollers for the jame copper, so bright you can see ace in it. And then the cottages, if you can be prefty, pretty as they; and each one's to have a nice and the one as keeps his garden get a prize. And then there'll gult for the girls and a reading and another club for the men and ming-bath, and—like that! Don't life hay you can see it all!"

I'ver said. But it will take a lot of money, Sunny!"

Sunh a wonderful lot! The got and the ground's the main lyo! it cheap, and there's acres be got later on, but it's no good g. Goodness, when I shut my there ourselves and sell every-tilled in the pretty lift work."

I'ver life best of everything at east price. Don't you see, can't life. Don't life make you want livos's."

Ileve it doen." Dobrington cried. Indeed solendid!"

I splendid!" she said in a low life you'd lived where I lived in grow streets where you scarcely see the sun at all, where there were a blade of grass, not a tree lower! Where everything's dirty life, li

into this great

"There's many a man," Arthur Curtiss muttered to himself, "who waits just too long, who can't make up his mind, and then makes it up to find out ant to ask."
And the others." he asked, with a far and then makes it up to find out that he's lost everything that makes to of jeniousy in his voice.

Barstawe and Mossy," she said, and then makes it up to find out to far a more than he's lost everything that makes life worth living. I'm not going to be among that lot; I've made up my mind! don't think either it wanted much making up. Somehow, it came naturally. There's no one like her in the world; she's only a child, there needn't be a hurry—another year, say—but 1 want to make sure of her!"

"Just what you can get hold of," she don't she's only a child, there needn't be a hurry—another year, say—but 1 want to make sure of her!"

want from me?"

"Just what you can get hold of." ehe

"Mile baused for a moment." I could
manage five thousand. he said. "Maybe
a little more if accessary."

That's aplendid. You'll get your
share for the toney, and you'll have to
york; we aln't going to have no deadheads in this. Stan."

I don't want to be a deadhead!" he
said. "I want to be a very much alive
head! Try me, Sunny, and I promiso
I'll work like a nigger!"

I believe you will, and I s'pose it'll
took all right to have your name on the
prespectuses!" Sunny said.

Dusk had fallen, she must hasten now
to the theatre. A little while and sha
had reached the stage door.

"Well so-long!" she said. "You
think about what I told you!"

Tin not likely to forget it," he said.

Tomorrow I will let you know exactly
how much I can put into the scheme. It'
you't be less han five thousand, it may
to task him, he's been a good friend."

"Arthur Curties!" Dobrington said
"Oh, Arthur's all right, and, oh, by the way,
to sak him, he's been a good friend."

"Arthur's curties!" Dobrington said
"Oh, Arthur's all right, and, oh, by the way,
to sak him, he's been a good friend."

"Arthur's lift light to have your name on the
set more."

"Arthur's lift light to have your name on the
set more in the scheme. It'
when the it can put into the scheme, I'
"Arthur's all right, and, oh, by the way,
to sak him, he's been a good friend."

"Arthur's lift light to have thousand, it may
be more of the best, recip!" Sunny said.
"Goodness, I never thought about it'
she said.

"Sunny" He paused: he looked up the
said.

"Sunny will about it'
she said.

"Sunny will you
and to make sure of her!"

The door opened and Sunny came in
The door opened and Sunny came in
She was fresh from the sunlight of the
