If ever Philadelphia was stirred by a sale it will be by this one. Tomorrow morning I will place on sale 10,300 garments by actual count, all of which were purchased by me for SPOT CASH from the firms listed below on the right, at a price enabling me to sell every one at \$20! Some of these garments were formerly wholesaled at \$50! The retail prices of them were \$40 to \$70! They are clothes that enjoy a national reputation for the excellence of their style and quality. Needless to say the loss to their makers is tremendous.

The great success of my own clearance sale which I concluded this week and in which I suffered a great loss, prompted me to take these clothes off the hands of these makers. I got them for a song and that is how I am going to sell them. The selection of fabrics, colors and patterns is overwhelming. 10,300 garments at this one price, \$20, is SOME collection to choose from! You are BOUND to find your size in ANY pattern you want. Come tomorrow prepared to get the greatest bargain you ever saw and you won't be disappointed. Small charge for alterations.
