CHESTER DOG IS GARDEN SHOW STAR

Tit Bits' Defeat of Frilford Felix One of Day's Big Surprises

New York, Feb. 12.—Despite the inclement weather another record crowd paid homage to the dog at the Westminster Kennel Club's forty-fifth show in Madison Square Garden. As on the opening day the big building was jammed all day long. Judging started promptly at 10:30 a. m., and from then until nearly midnight the rings were surrounded by interested thousands...

Speculation became particularly keen as to the chances of the wire-haired fox terriers when L. Gilliland's Aberfoyle Trevelar Tit Bit secured a triumph over her recent conqueror, Frilford Felix, also owned by Mr. Gilliland...

Tit Bit has, however, improved since then, as was evident yesterday. She has been in this country only about four weeks, having been a winner on the other side, and appears to have just reached her best. Frilford Felix could not get even the reserve. This went to Sabine Fernlie, which has been a winner no less than twenty-five times in the course of his show career...

Since it is quite certain that the wire-haired fox terriers will once more make a strong bid for the championship of the show, experts who saw yesterday's winner regard this representative as a very strong contender against the other breeds. Aberfoyle Trevelar Tit Bit not only has good conformation, but displayed fine spirit. Another of this breed that will try for the title is Mrs. Roy A. Rainey's Conjo Perfectio. It was Mrs. Rainey's Weycoller Boy which took best of show last year.

AMERICANS AMEND RULES AT MEETING

Baseball Moguls Make More Changes at Annual Conference in Cleveland

Cleveland, Feb. 12.—Complete harmony marked the annual meeting of the American League here, all of the clubs being represented except New York.

The American League owners voted down the rule which would have given the National Baseball Council that 25 per cent of the clubs' shares of receipts in post-season series be paid into a league fund to be used for drafted players.

Formerly the limit was four. The limit also was removed from the number of players to be farmed out, the previous limit being ten. Another rule amended referred to players who have been in the major leagues for ten consecutive seasons to demand an unconditional release from the club.

The matter of umpires' salaries was not discussed, this having been adjusted at the Chicago meeting. League officials decided to limit requests for award series tickets for newspaper prizes in contests to newspapers in cities having major league teams. The officials also authorized payment of \$400 each for umpires to be awarded to players on winning teams of world series.

President Ban Johnson, of Cleveland, of Washington, was named a committee to contract for telegraph service for the season. Others at the meeting were Harry Grabiner, secretary of the Chicago club, and also represented the Boston club were: Robert Quinn, of St. Louis; Bruce F. Cook, of Detroit; W. C. Dunn, of Cleveland; and Louis W. Tucker, of Boston.

Comiskey, Chicago, Miller Huggins, of New York, were absent. The officials were in session less than two hours, returning to their homes following the meeting. No trades were reported.

PENN NATATORS WIN Red and Blue Captures Meet From City College, 43 Points to 10

In a dual meet with City College of New York, Pennsylvania's strong swimming team easily won over its opponent last night in Weightman Hall by the score of 43 points to 10.

The outstanding feature of the meet was the work of Armstrong and Bambo, led by W. P. Martin, a freshman at Penn who prepped at the high school at Seattle, Wash., the same town that Larry Egan won the 45-yard low hurdle from scratch in 7.1 seconds. Dave Rogers, the dusky Penn flyer, captured the 440-yard run in 1:20.40, the fastest time in the Red and Blue sweater, by fully twenty yards. Winsor, Penn, finished second in the 45-yard dash.
