

Says Public Has Right to Demand Clean-Out and Competent Men Named

HITS BACK AT SHALLCROSS

In a seathing indictment of the Board Education, the Rev. Floyd W. Tom-ins, rector of Holy Trinity P. E. burch, today advised that the public a right to demand the resignation many, if not all the members of the ard on the ground of incompetency. The statement of Dr. Tennkins was the sequel to an attack which he made any the board at a public meeting on Wednesday, when he said that many of the members were in their dotage. A reply from Thomas Shallcross, board wenter, that Dr. Tornkins was "off his and talked too much and also could demonstrate his vigor by allenging the rector to a foot race or of quoits and that he should not ere with the board brought about

dar's statement. "I do not care," said Dr. Tomkins, to answer the statement of Mr. Shall-ross, the character of which may posthe judgment of some people by, in the putting of the word I em-level in speaking of the Board of duration or some members thereof. **Board Proved Incompetent**

But I seize this opportunity to say nd to say as loudly and positively I can in the name of thousands of arents and teachers in the city of hiladelphia-that the Board of Edu ation as it is at present constituted as proved itself so utterly incompehat the public has a right to dethat the public has a right of the ad that many, if not all, of the abers resign, and that the judges rized to appoint at once select heir successors from the name intel-ligent and cultivated and public-pirited men and women of our loved

What be believes is certain proof of the drowning in Mexico of D. Clarence Gibboney, Frank W. Shriver and John R. Markley and his son is in the hands of Lawrence P. Sharpless, of West Chester. Mr. Sharpless has just returned from the scene of the tragedy, bringing with him photographs bearing on the case. At the left is shown an empty canoe, the one which is said to have capsized, causing the drownings. At the right is Jose Rivas (the smaller man), a mahogany dealer of Carmen, Mexico, who, Mr. Sharpless says, viewed the bodies. The other man is Edward A. Wood, a chicle buyer for a Chicago firm, who was with the Gibboney party just before they entered the canoe
