

LEGION LEGAL AID TO BE GIVEN BY CITY

Committee Decides to Turn All Cases Over to Municipal Bureau

TIOGA POST WILL DANCE

Worthy legal aid cases of world war veterans will be transmitted by the legal aid committee of the American Legion here to the bureau of legal aid, Department of Public Welfare.

This decision was reached by the Legion's committee. It was considered inadvisable to create a special piece of Legion machinery to perform this work when there existed a municipal bureau that could do it.

Vincent A. Carroll, chairman of the Department of Pennsylvania committee on legal aid, advised co-operation with the bureau of legal aid, saying that the bureau can curtail its expense. The money required for budget purposes now will aggregate about \$3000 or \$10,000 this year, which means that at least 35,000 members must be enrolled if the organization is to be self-supporting.

Thomas Post, No. 819, held by William E. Nelson, will meet tonight in the Sixteenth Street library, seventeenth street and Hunting Park avenue, when plans will be perfected for the post ball February 26. Clifford E. Adams, adjutant, has announced entertainment features for tonight's gathering. Each member is urged to bring with him another member.

Joseph Vassallo Post has challenged other posts to meet in basketball games. Plans are being arranged to meet at the address Joseph Lombardi, 1715 South Eleventh Street.

A meeting of the executive committee of David W. Jamison Post will be held February 23 to receive reports on the membership campaign recently undertaken. The informal reports received thus far at the headquarters in the Big Brother House, 24th street above Chestnut, have been most encouraging. The post hopes to attain an increase in membership of at least 200 before the end of the month. A theatrical benefit will be held some time after that. E. J. Carroll, city statistician, will be the principal speaker at the monthly meeting to be held in the Big Brother House on the night of March 1. John Raff has been elected to fill a vacant place on the executive committee.

JOINS CHURCH; GETS WIFE

Audubon, N. J., Man Announces Marriage With Bible Teacher

Thomas A. Rowson, of Audubon, N. J., won his wife, it is declared, by agreeing to her request to join church.

Mr. Rowson and Mrs. Emma Snyder, a widow, were married in this city last Saturday, according to announcement by the bridegroom. They are now living at 101 Grassbury avenue, Audubon.

Mrs. Snyder has been a member of the Audubon Methodist Church for a number of years and is a Sunday school teacher. It was hinted in Audubon several weeks ago that Mrs. Snyder's eyes were on Mr. Rowson's proposal was contingent upon his allying himself with the work of the church, and when Rowson was formally accepted as a church member last Sunday, other members of the church smiled for they expected an invitation to a wedding soon.

But it seems as if Rowson found it only partly necessary to comply with his fiancee's request, for according to his announcement the wedding took place twenty-four hours before he joined church.

NEW PARK FOR BOULEVARD

City Will Improve Tacony Creek With 250 Acres of Ground

Plans were announced by Mayor Moore yesterday to take over Tacony creek and about 250 acres of land on both sides of the stream for the creation of another public park.

While the Mayor was making public announcement of this step Council's committee on public works approved an ordinance which provides for an extension of the Roosevelt Boulevard from Welsh road to Piquessing creek, a distance of four miles.

According to the Mayor the proposed Tacony Creek Park will be one of the most important improvements in that line which the administration counts upon accomplishing. An ordinance, drafted in accordance with the Mayor's plans as to Tacony creek will be introduced in Council today.
