Buy Furniture NOW.

The Furniture is all of the high-class, standard makes, from the foremost manufacturers of Grand Rapids and other Furniture centres—including some lines that other stores would like to have but cannot get—and the assortments are practically as attractive as at the beginning of the Sale. New things are coming in from our warehouse every day—handsome upholstered Living-room and Library Suits, Dining-room and Bedroom Suits in Period designs, and innumerable single pieces.

Men Who Need Clothes Needn't Worry About the Money Someone Is Losing

ADVANTAGES like these are unusual, even at a time when there has been a general lowering of prices such as this country has experienced in the past few months. Every man understands that there is a considerable loss involved in the disposal of merchandise at such prices as are marked on the Men's and Young Men's Clothing in this WINTER CLEARANCE. In some cases the loss falls upon us, in others upon the manufacturers from whom we have recently bought close-out lots. But no man need concern himself about that. Many of our customers have had to take losses in their own business, and every man should be alert to make up his own losses by taking advantage of every opportunity that presents itself for SAVING MONEY—and HERE IS YOUR OPPORTUNITY. Compare these prices with the prices you paid in 1920, and you will find they average almost one-half less. And we are sure they are considerably lower than regular prices can possibly be for equal grades in the coming spring, or even next autumn.

See the Suits at \$18.50, \$24.50 and \$26.50
 The Suits at \$18.50 are of all-wool cassimeres and worsteds—less than half the 1920 price. The Suits at \$24.50, of all-wool cassimeres in good patterns, have an EXTRA PAIR OF TROUSERS—almost one-half less than the 1920 price. The Suits at \$26.50, for men and young men, are almost one-half below the early-season price.
