Autographs. Send a cent
stamp for our
CATALOGUE

No. 140 containing 176 titles of Autograph
Letters & Documents of Distinguished Men
& Women. Includes WASHINGTON, LIN-
COLN, GRANT, ROOSEVELT, NAPO-
LEON, SCOTT, DICKENS, THACKERAY,
MEREDITH, STEVENSON, EMERSON,
LONGFELLOW, LOWELL, WHITTIER,
HAWTHORNE, HOLMES, BROWNING,
TYNTON, &c.

Goodspeed's Book Shop, Boston, Mass.

G. K. CHESTERTON'S Appreciations and Critisms of the Works of Charles Dickens

are characteristic expressions
of a great gift for pungent
critical comment—a delight to
those who share his love for
the inexhaustible magic of
Dickens.

Fourth Edition, \$2.50.
E. P. Dutton & Co., 681 5th Av., N.Y.

MAKING SOCIALISTS OUT OF COLLEGE STUDENTS

A pamphlet exposing the
startling effort that has been
begun to inject economic poison
and false ideas of government
into the class rooms of American
schools.

Read by every red-blooded American
particular by men and women. 20c.
Address W. CLARK, 724 S. Spring St., Los
Angeles, Calif.

Potterism

says Prof. Phelps of Yale, "is
one of the wittiest, most interest-
ing novels I have read.
Everybody should read it."

Potterism

says Prof. Copeland of Harvard,
"is the most keenly entertain-
ing fiction that has come my
way in many a long month."

Potterism

says Mitchell Kennerly, "is
as good as Bennett, Wells, and
Leonard Merrick rolled into
one."

The Novel of the year! Everybody's
reading it! Buy your copy today.

BONI & LIVERIGHT, New York

THE BEST BOOKS IN OUR LITERATURE

No library, large or small, public or private, is complete without these

FIVE GREAT BOOKS

NO MAN CAN BE CALLED WELL INFORMED WITHOUT A THOROUGH GROUNDED IN THE HISTORY,
ECONOMIC, SOCIAL, AND POLITICAL OF HIS OWN COUNTRY, AND OF OTHER MODERN COUNTRIES;
WITHOUT A KNOWLEDGE OF THE HISTORY OF THE WORLD IN GENERAL, WHICH IS CLASSIC IN ITS OWN FIELD, COVER THE FIVE BIGGEST TOPICS IN
WORLD HISTORY, AND TOGETHER COMPRISE THE INDISPENSABLE FOUNDATION AND BACK-
GROUND OF INTELLIGENT CITIZENSHIP.

LORD BRYCE'S NEW WORK

MODERN DEMOCRACIES

By the Right Honorable VISCOUNT BRYCE

This is Lord Bryce's most important work since THE AMERICAN COMMONWEALTH. Part I deals with demo-
cratic governments in general. Part II describes some democracies in their working. Part III is devoted to an
exposition of the author's conclusions.

"THE ONE GREAT AUTHORITY UPON AMERICAN GOVERNMENT AND INSTITUTIONS"

THE AMERICAN COMMONWEALTH

By JAMES, now VISCOUNT, BRYCE

The ONE adequate study of American democracy, read by hundreds of thousands yet still unknown to many of
the young generation. No American can be called well informed until he has read this classic study of American
government and politics.

"His work rises at once to an eminent place among studies of great nations and their institutions." —New York Times.

Nothing like it anywhere extant, nothing that approaches it.—New York Times.

WELL'S WORLD HISTORY: "VIVID, DRAMATIC, READABLE"

By H. G. WELLS

This History of the World from the primal nebula to the aftermath of the Great War, with a glimpse into the
future, is not only "the most talked about book of the winter"; it is "one of the great books of our generation." —It
is "an altogether wondrous talk . . . his narrative of human struggle and endeavor glows with life." —It is
"astonishing how much of prime importance." —James Harvey Robinson in Yale Review.

"The Set, \$10.50.
2 vols. The Set, \$10.50.

THE OUTLINE OF HISTORY

By E. P. DUTTON & CO., 681 5th Av., N.Y.

"THE ONE INDISPENSABLE GUIDE TO AMERICAN HISTORY"

HISTORY OF THE UNITED STATES

By JAMES FORD RHODES

New Edition, Reprinted in 8 vols., Uniform Binding. The Set, Boxed, \$25.00.

There is a kind of greatness in the lucid simplicity with which Mr. Rhodes has handled his vast and complicated
material. He was about to say that his history is as absorbing as a play; but I would like to say that it is
half so absorbing.

"THE MOST LUCID AND COMPLETE HISTORY OF MODERN EUROPE"

A POLITICAL AND SOCIAL HISTORY OF
MODERN EUROPE

By CARLTON J. H. HAYES

For understanding of Modern Europe, not only the Europe of 1914 but the Europe of reconstruction, with its new
social, economic and political conditions, "there is probably no single work in the English language so useful as
this."

"The skill, literary as well as technical, with which so great a mass of material has been sifted, condensed and put
into permanent form is beyond praise." —Boston Herald.

These books are for sale at all important bookstores, or will be sent carriage prepaid if you will remit to our
nearest office.
