An L. B. Sales record has helped the Conklin Pen Manufacturing Company to write "bigger business" for nearly five years.

This sales record gives a complete survey of the Conklin business. It includes a list of all their customers and prospects, classified by business; character of store; what customers have not bought recently; analyzes sales on a per capita basis. All of these facts are instantly findable.

An L. B. Sales record has an extra-added value these days. It tells you where your organization is strong and where it is weak - enables you to concentrate your sales effort-flashes a warning of slumping sales-gives you a tight, guiding rein on your sales force.

Not every business requires exactly the same kind of information. But every concern which sells goods needs an L. B. Sales record. It is made to fit every business. It is elastic—adaptable—practical!
