## How Much Do You Pay?

the spending of her dollar-she shops where lee money goes the farthest This accounts for the fact that today we are selling more groceries than ever
before in our history, because housekeepers realize more and more every week be re
the remarkable saving it is possible to effect by dealing at the "Asco" Stores. A few weeks ago we proved, in actual figures, that two dollars spent in An Asco Store today will buy as much as three dollars would a year ago Being in direct touch with the actual Producers -the Farmer, the Miller, th
Canner, the Packer, etc.-we are able to give you immediately the benefit of al changing conditions.
