

LIBERTY MUTUAL

“Settled Without Delay— Settled Out of Court”

Number Two of a Series of Actual Happenings

“THE other day I loaned my car to a friend to take a short trip. When he returned, he forgot to tell me that he had smashed into another car on the road.

“A few days later I was surprised to receive a demand for damages from the other fellow, for serious injuries suffered by his wife.

“I notified the Liberty Mutual right away. Dreading the thought of going to court, you can understand my great relief on hearing *shortly afterward* that the whole affair had been settled *out of court*. Furthermore, the husband expressed great satisfaction at the way the Liberty Mutual had handled the matter.

“It is particularly gratifying to me to be able to secure such prompt service from an insurance company, at the same time *saving real hard cash* on the cost of my premium.” (Signed) GERALD PRIESTMAN,
Elizabeth, N. J.

99 out of every 100 claims against Liberty Mutual policyholders are settled promptly—and settled out of

court. The great organization of the Company with its many branch offices and its staff of physicians, lawyers and adjusters, always within phoning distance—makes possible this prompt service.

And Liberty Mutual policyholders have had this service at a *great saving* in insurance cost.

Every Liberty Mutual policyholder has received each year a *cash refund* from the Company's earnings—refunds which have always amounted to 30 per cent of the premium paid.
