

ALLIES NOT AGREED TO FORCE GERMANY

Premiers and Military Leaders Reach No Decision on Army Measures

'READY FOR CONTINGENCIES'

By the Associated Press. London, Feb. 28.—Premiers Lloyd George and Ramsay MacDonald, of France, and Field Marshal Sir Henry Higgis, of the British cabinet, returned to their respective capitals today from a meeting of the Paris conference of the allied powers...

The embryonic war between Panama and Costa Rica involves a dispute over the boundary line. Panama has apparently rejected the line fixed by arbitration and has revived a claim she abandoned in 1911 to territory on the east coast of the Bay of Dulce...

Panama War Adds to Harding's Tasks

Continued from Page One. The sudden flaring up of a boundary question which both countries agreed to settle in 1911 has settled by the London decision puzzle persons familiar with Central America...

Less Algebra Urged for Public Schools

Continued from Page One. The original idea of the creative act was that the commissioners were to supply funds to municipal courts who were to sit in different parts of the city...

Plan Suits to Hit Broun's Fund Grab

Continued from Page One. The original idea of the creative act was that the commissioners were to supply funds to municipal courts who were to sit in different parts of the city...

Excuse the Error.

IN A RECENT advertisement we said that the total fire losses in the United States were \$16 a minute. Mr. Sell, of the Fire Underwriters' Association, tells us that for 1918 it was \$567 a minute! Yes, \$297,915,663 in the year. Figure it out for yourself.
