

### CONFLITTI IN VARIE CITTA' DELL'ITALIA

#### A Firenze i Comunisti Gettano una Bomba ed Uccidono un Carabiniere

Published and Distributed Under PERMIT No. 341, Authorized by the act of October 3, 1917, on the part of the Postoffice of Philadelphia, Pa.

Roma, 28 febbraio.—Altri gravi conflitti sono avvenuti in varie città dell'Italia provocati dai comunisti e socialisti. Un dispendio da Firenze recò la morte di un giovane librai ucciso da un locale ovesto in una bomba che esplose in una casa di viale della Vittoria. Un altro dispendio fu gettato in una casa di viale della Vittoria, uccidendo un carabiniere e ferendo dodici persone.

Il corpo del disgraziato milite veniva caricato in un'automobile e contemporaneamente un individuo esclamava: "Un buon affare, un carabiniere di meno." L'automobile fu intesa da un altro carabiniere che si trovava vicino l'automobile, il quale sparò un colpo di rivoltella contro l'individuo, ferendolo a morte.

Non appena si sparse la notizia del conflitto i ferrovieri decisero lo sciopero ed abbandonarono il lavoro. Alla loro volta i fascisti, ossia i nazionalisti estremisti, marciarono verso la casa dei comunisti, e spararono vari colpi di rivoltella, uno dei quali ferì il proietto a morte.

Le notizie dei conflitti si sparsero ben presto per Firenze causando un grave fermento da una parte e dall'altra. I socialisti ed i comunisti hanno chiamato uno sciopero generale di protesta.

Un dispendio da Cernusco, provincia di Foggia, recò che colui alcuni socialisti si posero in agguato attendendo il passaggio di un gruppo di fascisti che transitavano silenziosi e pacifici. Quando questi ultimi giunsero a tiro i socialisti spararono vari colpi d'arma da fuoco, uccidendo una guardia regia e ferendo numerosi fascisti. La polizia eseguì subito una perquisizione nei locali della Camera di lavoro e sequestrò armi e munizioni. Sono stati effettuati numerosi arresti.

Lo sciopero generale proclamato dai socialisti a Bari non è ancora completamente cessato. Però tutto tende ad indicare che la situazione tornerà subito normale. I contadini di Bari, però, ancora si abbandonano ad atti criminali avvelenando le acque e provocando incendi. Altre sei persone sono morte per aver bevuto acqua avvelenata.

Roma, 28 febbraio.—Dispendio giunti dal confine segnalano che un gravissimo conflitto è avvenuto tra italiani e jugoslavi. Nel conflitto sarebbero rimasti uccisi otto jugoslavi ed undici italiani.

Anti-Profiteer Clauses Void  
Washington, March 1.—The Supreme Court yesterday held unconstitutional sections of the Lever act under which the government stopped the coal strike of 1919, and subsequently launched its campaign to reduce the cost of living by presenting alleged hoarders of and profiteers in foodstuffs and other necessities.

### POPE MAKES PEACE MOVE

Urges Prelates From Warring Nations to Meet and Promote Amity  
Rome, March 1.—(By A. P.)—Prelates from countries arrayed against one another during the world war have been asked by Pope Benedict to meet and thus promote amity between nations.

This request was gladly received by Cardinal Bourne, archbishop of Westminster, who will meet Monsignor Josef Schulte, archbishop of Cologne, and Monsignor Michael von Faulhaber, archbishop of Munich, who will receive the red hat at the coming consistory.

London, March 1.—(By A. P.)—Five pieces of Cardinal Bourne's baggage were stolen between Lake Como and Milan, says a dispatch from the latter city to the Daily Mail. The Italian police have searched fruitlessly for the missing articles, it is said.

Cardinal Bourne, who arrived here yesterday, expressed a desire to greet Archbishop Dougherty, of Philadelphia, who is on his way to Rome to attend the consistory and be elevated to the Sacred College.
