# **BIG SCHOOL EXHIBIT**

intendent Says City Has **Great Opportunity Now** 

### LAUDS DR. BROOME HIGHLY

Atlantic City, March 1 .- The sesqui centennial celebration in 1926 furnishes Philadelphia a definite, concrete opportunity to work for the best kind of an exhibit, the best big school system in the country, says Dr. Harry B. Wilson, superintendent of schools at Berkeley.

Wilson, who is stopping at the Hotel Traymore during the convention of the National Educational Association, addresses the superintendents of the country today on "How a Superin-tendent Should Spend His Time." Dr. Wilson was strongly favored by a number of members of the Philadel-phia Board of Education during the earlier stages of the long deadlock over

school head, but withdrew from consideration. "During my visit in Philadelphia." said Dr. Wilson, "I could not help notice that there was a wealth of latent good material there. All that is needed is the proper incentive for united effort "In Dr. Edwin C. Broome, the schools have discovered a very well trained leader who could put through

a splendid program, if everybody would get behind him and give him their very get behind l best efforts. "I have been told that much motion Is lost in your city, by the tendency of factions to scrap among themselves. If given something concrete in the way of a goal to strive for, they could forget these differences and achieve something

of which they all might be proud.
"With this thought in mind, if every-body in Philadelphia got behind Dr. Broome and started right away, they From Leonard Smith, assistant superintendent of John Hangock Mutual Life Insurance Co. Fifty-second and Walnut streets: "Our sancy consists of fifty men. Every Saturday for the last four weeks we have had a limerick contest, run along the lines of your contest. Each week I entered several lines and, to my surprise, all of my lines were entered in the list of the best ten each week and one of my lines has won one of the two prizes given each week.

"The surprising part is that with a few would have an exhibit to show the world in 1926.
"Think of a great set of schools all in perfect sanitary condition. Think of model classes working before the eyes of the public, and many other splendid features groomed for the world's gaze. Think of an enthusi-astic set of teachers vieing with each other to see how far they could pro-"The surprising part is that with a few exceptions I have sent in several lines to your context each night and as yet have not not the honor of being considered good shough to put on the ballot. The winning lines as a rule have been very clever, but some on the ballots were far from it.

Think what a great advertisement "I recall one about a moose and a deer and a doe, what in thunder have animals to do with a stenographer? One of the lines on the ballot was. She slipped, but she's attli a stone. Probably a printer's error.

I wrote you a friendly note some weeks ago, but it has not appeared in the column. I am afraid I am slipping into the doubting Thomas class.

The column of the ballots were far from it.

"Think what a great advertisement it would be for the city, to the world in the balloom ford. Miss Ma and public-spirited citizens generally would be too keen to overlook this bet, and would do all that lay in their power to make this dream come true.

to make this dream come true.

"Education can be sold to the public and bring good prices, too, if Songs" were discussed by Miss Jane the proper ideals are held up, a Campbell this afternoon at the meetsound, progressive program mapped out and proper sincere effort and co-operation be brought to bear upon it.

"The best big school system in the country is a possibility for the sesquicentennial celebration in Philadelphia one of which every citizen can feel proud if this united, sincere and hearty effort on the part of everybody can be put into effect.

"But it would have to begin at once, at 247 South Cames street. "But it would have to begin at once

in which to accomplish a great ideal like It is a scientific axiom that things must be accomplished STATE RESTS IN TRIAL

OF MINGO MURDER CASE

Thirtieth Day Sees Close of Testi mony Against Hatfield and Others Williamson, W. Va., March 1 .- (By A. P. 1-The prosecution Matewan gun fight trial shortly before noon today. The state, however, reserved right for consultation until later in the day, and a recess was taken until 1 o'clock this afternoon. The defense announced that it was ready to proceed. Today is the thirtieth day of the trial of Sid Hatfield and

eighteen others accused of the murder of Albert C. Felt, detective. One of the first steps that will be taken by the defense will be an at-tempt to discredit some of the wit-nesses who had testified for the state Among these is Miss Elsie Chambers whose father and brother are among the nineteen men on trial. The story she told on the stand, repeating the al-leged conversation between Hatfield and Deputy Sheriff Teny Wells, in which the former was represented to have declared his purpose to kill the Baldwin-Felts detectives, will be attacked as
