## ANTI-VARE LEADERS MAP OUT CAMPAIGN TO SMASH COMBINE

New Penrose Alliance Holds  
First Meeting to Launch  
Primary Battle

ENTATIVE SLATE WILL BE  
DISCUSSED THIS EVENING

## FIND LANDIS SHOWS IMPROPRIETY IN HOLDING DUAL JOBS

House Judicial Committee Rec-  
ommends Next Congress  
Fully Probe Charges

VOLSTEAD RESERVES RIGHT  
TO FILE MINORITY REPORT

By the Associated Press

Washington, March 2.—Acceptance by Federal Judge Landis of the position as supreme baseball arbitrator is inconsistent with his full and adequate performances of his duties as judge and constitutes a serious impropriety on his part, the House judiciary committee held today in recommending full investigation at the next session of Congress of impropriety charges made by Representative Welty, Democrat, Ohio.

The report of the subcommittee was adopted unanimously by the full committee, although Chairman Volstead urged the right to file a minority report.

Ward leaders and workers from all parts of the city who want to pound Senator Vare's tightening grip on the leadership of Brown-Vare-Cunningham combine met today in the headquarters of the new Penrose alliance, 1432 South Broad Street.

The meeting was the first big conference strategy and tactics that will be used in the primary campaign this year when the "combine" will try to regain its hold on important county offices.

Among the early arrivals were John E. McLaughlin, administration leader; B. Nineteenth ward; Andrew Frazee, of the Forty-second ward; Fred Lindell and Frank L. Kenworthy of the Twenty-first ward.

Brown's Aides "Return"

Some of the ward workers present transferred their allegiance from the Moore administration to the new "combine," in which Judge Charles L. Brown is a conspicuous figure. Their return to the administration camp is significant of the trend away from Vare leadership.

Representative Harry Trainer, the Pennsylvania spokesman in the Senate, in Harrisburg, will be present at a further conference in the Pennsylvania headquarters this evening.

Prospective candidates to oppose the "combine" selection for Row offices will be talked over internally.

Back to the party's original攘撃, the battle to Vare domination, political leaders say, is loyalty to Senator Penrose coupled with the other program policy that loyalty to the new administration is the most logical course.

The Forty-second ward is strong for Senator Penrose and for Mayor Moore, and Mr. French, the administrative leader there, "One of the most visible allies there is the women's organization. The women realize that the Mayor is succeeding in his efforts for a cleaner city physically and morally. They have pledged their loyal support. With a representative loyal to the administration forces will win the election this fall."

Thirty-third Ward for Moore

John F. Monaghan, president of the East End Republican Club of the Thirty-third ward, told at the conference that he had held last night at the home of Pauline Beach, a home which will rival El Mirasol, the Stevens villa.

Mr. Thomas is a son of the late George U. Thomas, of this city.

MRS. AUSTIN SACKETT

New York society woman who is reported engaged to Leonard M. Thomas, son of the late George C. Thomas, of this city. It is reported that they will be married at Palm Beach.

LEONARD THOMAS IS NOT  
MARRIED AT PALM BEACH

Mystery Introduced in Stotesbury

Statement No Wedding Is Held

With statements by Mrs. E. T. Stotesbury that "no wedding took place at El Mirasol," society is wondering if Leonard M. Thomas, New York clubman, and Mrs. Marie Gould Sackett, his fiancee, are married, but now of Palm Beach, are married—or when they are to be married.

Conflicting reports have introduced the element of mystery. New York dispatches say Mr. Thomas and Mrs. Sackett were to have been married at noon yesterday at El Mirasol, the Palm Beach home of Mr. and Mrs. Stotesbury. Palm Beach officials, however, said, gave emphatic refutation of any rumor that a marriage ceremony was performed at El Mirasol yesterday.

Mr. Thomas was off on a fishing trip with Mr. and Mrs. Howard Drayton. Mrs. Sackett could not be located in Palm Beach, yet there was nothing to indicate that Mrs. Sackett was one of the guests with Mr. Thomas on the fishing trip.

Mr. Thomas refused to discuss either the reported marriage or engagement to Mrs. Sackett.

"I may have a statement to make tomorrow" was all he would say. At any rate, he is personally supervising construction of a \$500,000 home on the ocean at Palm Beach, a home which will rival El Mirasol, the Stevens villa.

More than 400 members attended. George U. Thomas was one of the speakers.

POSTPONES ATTACK CASE  
Judge Reluctantly Puts Off Trial  
of Teacher's Alleged Assailants

Judge Monaghan today reluctantly granted a continuance until tomorrow of the trial of Clarence Wilson and Joseph A. Cunningham, Negroes, accused of attacking and robbing Mrs. Marie Sterrett, a school teacher of 2623 Bainbridge street.

The trial was struck over with a milk bottle on the night of February 22 and dragged into an alley near Twenty-second and Fitzwater streets.

An attorney for the defendants today asked Judge Monaghan to continue the case because he said he had been given no chance to confer with his clients. Mrs. Sterrett was an attorney prepared to testify. She was accompanied by a physician and a nurse.

Wilson pleaded guilty to a charge of robbing Mrs. Mary Milligan, 1706 South Sixtieth street, two weeks ago, but with Hamilton pleaded guilty to the other charges.

Mrs. Sterrett said she feigned unconsciousness and had been knocked down. One of her assailants had told her she was already dead.

The executive council of the parish of the Holy Apostles to Mr. and Mrs. Sterrett. She is a member of that congregation. Bishop Rhinelander has written a personal letter to Mrs. Sterrett assuring her of his sorrow over her misfortune.

cians said.

The operation was performed in an effort to remove the cause of a snore which Caruso has endured since two years ago.

**SHORT-LOAN BILL AMENDED**

Trainer Starts Fight, but Combine Leader Gets Measure Over

Harrisburg, March 2.—A tempest in a teapot was stirred up today in the House over the Philadelphia short-loan bill for industrial companies. Representative Pittsburgh, Pittsburgh, chairman of the municipal affairs committee, presented amendments given him by Richard Weglein, president of Council.

Mr. Stadlander asked unanimous consent to introduce the amendments. During a brief debate Representative Trainer charged that during a com-  
mittee meeting Stadlander had threatened of starting "guerilla warfare."

Representative Green, Philadelphia, supported Mr. Trainer and Representative Sower and Glass came to the rescue of Stadlander.

The amendments went in without ob-  
jection. Majority Sointh suggested the changes, said Weglein.

**Mayor Will Talk to I. O. O. F.**
