GIRLS. WOULD YOU LIKE TO BE A FARMERETTE?

Pleasant and profitable out-of-or work for the summer, on one the largest nurserles in Penna. Setting young plants, propagating hoeing and weeding. During the war girls worked on farms while the boys were "over there," After the boys came home, the girls found there was still an opening for them in this work.

Last year we had eighteen girli engaged on our nursery from Apri to September. Good wages, a home conducted especially for the girls, good plain food, shower baths. Only respect-able white girls, 20 to 30 years of age, who can furnish excellent ref-

Bread with Raisins is a Better Food

Forget, for a moment, the delicious flavor of raisin bread and think of its value as a food.

Raisins furnish 1560 units of energizing nutriment per pound, as well as natural iron which brings the rose tint to women's and children's cheeks.

The raisin's pure fruit sugar is in practically predigested form, so it is almost immediately assimilated. This fruit-food value added to the nourishment of wheat, forms an almost ideal food.

Send 'round the corner or telephone to your grocer or bake shop for a loaf of Sun-Maid Raisin Bread or bake a loaf at home according to the recipe at the right.

The raisin flavor permeates the bread. Try the bread plain, with or without butter. Learn what delicious toast it makes. Serve at least twice a week to break the monotony of plain bread.

Every first-class baker sells Sun-Maid Raisin Bread

SUN-MAID RAISINS

Use Sun-Maid Raisins in all your cooking, for they are the finest grown. Made from tender, juicy, thin-skinned California table grapes.

Three varieties: Sun-Maid seeded (seeds removed); Sun-Maid seedless (grown without seeds); Sun-Maid Clusters (on the stem). All dealers.

Insist upon the Sun-Maid brand. Send for free book, "Sun-Maid Recipes," describing scores of ways
