## A SOLEMN REFERENDUM

If we took a nation-wide referendum on the question what is the cleanest, most nutritious breakfast cereal in the world"there is no doubt that the verdict would be in favor of Shredded Wheat Biscuit.It is something more than a breakfast cereal. It is a substitute for meat, eg'gs and potatoes for any meal, much more nutritious and costs much less.
Two Biscuits with hot milk make a warm, nourishind meal at a cost of a few centsthe most real food for the least money.
