## Easter's Charming Frocks Most Moderately Priced

Tricolette Dresses \$11.50 to \$25  
Taffeta Dresses \$10, \$15 to \$35

Some are trimmed with embroidery, some with braid. Others are cut on long, slender lines that are becoming to heavy figures. A \$25 dress is of unusually fine material with side panels which show deep tucks. An \$11.50 dress is sketched. Henna, brown, navy, black, Copenhagen and taupe in the group. Sizes 18 to 44. A pretty frock with a tricolette skirt and an embroidered Georgette bodice is \$16.50.

Ruffled or draped, pleated or frilled, they are all fresh and Springlike. Plenty of the eyelet-embroidered taffetas that so many women like. In navy blue, black, brown, Copenhagen and beige. Dozens and dozens of different models suitable for young women and their mothers and aunts.

**Canton Crepe Frocks, \$29**  
The material is of a heavy, firm quality with medallions of eyelet embroidery through which the contrasting underskirt of crepe de chine shows. In beige, silver, brown and navy made over peach, henna or brown.  
**Serge and Tricotine Dresses \$8.65, \$10, \$15**

Others are heavily braided and show a touch of coral beading. One handsome tricotine dress, with eyelet embroidery, is made over Canton crepe.  
All are of very fine materials, beautifully made. You would ordinarily expect to pay a third more or twice as much for such gowns.

**LA DELEGAZIONE DI RUSSI A ROMA**  
I fascisti sospettano che il Bagaglio Della Delegazione Contenga Oro ed Armi  
Published and Distributed Under PERMIT NO. 241, October 8, 1920, by the Postoffice of Philadelphia, Pa.  
S. HURLERSON, Postmaster General.  
19 marzo.—E' giunta in Roma la Delegazione Economica Russa con un bagaglio composto di ventisei casse. Al loro giungere gli agenti doganali volevano procedere alla visita di detto bagaglio, ma la delegazione si oppose recisamente. La notizia si è diffusa immediatamente in tutta la città ed allora circa 400 fascisti sono venuti alla stazione ferroviaria per impedire agli impiegati doganali di ispezionare le casse, e i fascisti hanno preteso che i cassetti in patria venissero sorvegliati le entrate della stazione, ma i fascisti ottennero che il bagaglio non fosse consegnato ai funzionari delle autorità. In previsione di quanto le autorità hanno fatto occupare militarmente la piazza della stazione, i partiti di truppe, carabinieri e guardie hanno sorvegliato le entrate della stazione e gli abocchi principali delle vie circostanti. "L'Epoca" sostiene che i fascisti contengono armi ed oro per pagare la loro missione in Italia. Ventisei casse sono state sopra la delegazione: "Delegati Economici Russi." Gli ufficiali di Dogana sono tratti in un cassone in attesa che il governo dia loro istruzioni. Il Delegato Nazionale Federzoni ha domandato al governo spiegazione dell'arresto del Capitano Pifferi, e l'assistente di Gabriele D'Annunzio viene giorni o sono arrestato. I fascisti partecipano agli attacchi contro le truppe regolari, quando Caviglioglio è bloccato a L'Imme. Il Federzoni ha stipulato in Abbazia, quando furono gli ostili tra le truppe regolari e i fascisti di D'Annunzio. L'On. Federzoni ha detto, pure, che una persecuzione è stata fatta anche contro altri difensori di Fiume. Oggi appreso che l'arresto del Capitano Pifferi fu ordinato dal tribunale militare di Trieste, il quale lo considera responsabile degli eccessi che si verificarono a Valona, quando fu al comando della spedizione che doveva occupare detta città. L'attenzione del pubblico è assorbita dal problema delle elezioni generali, che si ritengono imminente le elezioni della camera. Negli ambienti fascisti si rileva che il Gruppo fascista è in maggioranza ostile a tale soluzione. Anche i socialisti non sono di buon'ora e non hanno fatto delle elezioni generali, poiche comprendono data la reazione contro di essi, non tutto da perdere.

**NORTH CANADA**  
Stampede and Syndicates Formed—Indiana Wary  
The Pas, Man., March 19.—(By A. P.) The reported discovery of a flow of arms in the foothills near the Pas, Saskatchewan, 160 miles west of The Pas, has resulted in a miniature stampede to that district. A dozen military aviators have been ordered and blocks of land taken up. The district is not easy of access, is little known. Indians visit it with great discretion.
