

# I NUOVI DEPUTATI AL PARLAMENTO

### La Camera Italiana Avra' Ventisette Rappresentanti dei Territori Annessi all'Italia

Published and Distributed Under PERMIT NO. 841. Authorized by the act of October 6, 1917, on file at the Postoffice of Philadelphia, Pa. A. S. RUTHERFORD, Postmaster General.

Roma, 22 marzo.—Il Consiglio dei Ministri ha deciso che i nuovi territori annessi all'Italia, in virtù del trattato di San Germano, dovranno eleggere un totale di 27 deputati. La Camera dei Deputati in futuro avrà così 335 deputati.

Si dice che oltre alla lingua italiana quella francese sarà permessa nel Parlamento Italiano per la presenza dei rappresentanti delle Valli Valdoine, ove il francese è la lingua parlata. Come cosa di fatto i deputati di dette province non hanno richiesto il privilegio, ma dato che un tale privilegio venisse concesso potrebbe far sorgere la questione che l'uso della lingua tedesca e slava dovrebbe essere permessa per i rappresentanti dei nuovi distretti che siederanno deputati che parlano una sola delle due lingue predette.

Un telegramma da Milano reca che Enrico Malatesta, il "leader" degli anarchici, ed i suoi compagni di prigione continuano nello sciopero della fame, ma la resistenza loro, specialmente quella del Malatesta, comincia a fiaccarsi.

Sembra che le condizioni del Malatesta siano piuttosto gravi, data la sua avanzata età e le condizioni fisiche tutt'altro che adatte a resistere ad un lungo digiuno.

I Direttori della Confederazione Generale del Lavoro, del gruppo parlamentare socialista e del partito socialista, hanno tenuto una riunione per discutere e deliberare in merito alla situazione parlamentare.

Dopo animata discussione approvarono un ordine del giorno affermando la necessità di rovesciare il Governo.

Anche il gruppo popolare ha tenuto una riunione per discutere ed esaminare la situazione parlamentare ed ha votato un ordine del giorno nel quale è detto che qualora la Camera si mostri incapace di funzionare si addivenga pure alle elezioni generali. L'ordine osserva che le elezioni generali sarebbero state sollecitate dal gruppo popolare se il

Passengers Searched With "Utmost Courtesy"—\$3000 in Loot  
Muskegon, Okla., March 23.—By A. P.—Two masked bandits boarded the Missouri, Kansas and Texas Railroad's "Texas special" at Denison, Tex., last night, robbed every passenger in three sleeping cars and escaped at McAlester in a waiting automobile. The loot was estimated at more than \$3000 in cash.

Bloodhounds from the state penitentiary at McAlester are trailing the bandits.

As the train pulled out of Denison, the robbers began their work. One bandit carrying two pistols lined the passengers of the first car in the aisle. His companion searched the travelers, taking only cash. Men and women were searched with what one passenger described as "utmost courtesy." The robbers then ordered the door locked and proceeded to the second car and then to the last car.
