dacy for district attorney having failed to arouse much general enthusiasm, a bill has been introduced by his friend. Senator Vare, which would make his selary \$9000.

Politicians figure that the increase in salary, if approved by the Legislature and sealed by the Governor, would be a sort of ointment for losing the \$12.-000 job.

The bill offered by Senator Vare increases the salary of the chairman of the board from \$7500 to \$9000 per annum. The salary of each member of the board, which is now \$7000 would be increased to \$8500.

be increased to \$8500. The bill providing for this "con-solation prize" for Mr. Mackey was introduced by Senator Vare in the up-per chamber yesterday. Promptly the bill was referred to the judiciary genera special committee. There was not much "fuss and furore" about either the introduction of the bill or its ref-erence to this particular committee. Generally, when a bill is referred to the judiciary genera. Making Customers

Concerns of size and age value most the creation of permanent customers.

The motto of the old-time circus was "Get their money and get them off the lot."

The difference in the point of view is a matter of "repeat orders."

. We know a manufacturer of shoe-blacking whose first appropriation was \$7,000 for a year's advertising. Within five years his annual expenditure of carned money had increased to \$367,000.

To insure the success and permanent growth of its customers, if for nothing else than self-interest. great newspaper and magazine publishers recommend the services of competent advertising agencies.

Our experience is at the command of those firms whose business promises permanent success.

Chestnut Street at Juniper

N. Stetson & Company, 1111 Chestnut Street, sole Philadelphia representatives of Steinway & Sons, present Steinway Style M grand piano as the most remarkable small grand ever made, carrying as it does all the distinguishing qualities of the Steinway orchestral concert grand in thoroughly balanced proportion to size. Small "grands" are usually made to sell-with little regard for art; Steinway Style M is made for music. Therefore, Style M is 5 feet 7 inches long. that strings may be long enough and sound board area great enough to produce real grand tone. In grand-piano construction size is an essential element. Be sure of the measure of your grand, and then compare prices by this measurement. Style M Steinway Grand, in mahogany case, \$1375. Five larger sizes of Steinway Grands for music rooms. schools. recitals. Steinway grands in unfinished wood will be specially colored without extra charge.
