Threat Disturbs Austria and is Attributed to Movement to Join Germany

### FUSION GAINS SUPPORT

By the Associated Press  
Vienna, March 24.—Rumors that Czech-Slovakian troops have been concentrated on the Austrian frontier have caused a panicky feeling here, in view of the internal political conditions in the Austrian republic. This feeling persists in spite of the fact that reports regarding the gathering of Czech troops have been partially denied by newspaper articles.

the part of the people over the failure of the government to effect a promised reduction in prices and fight further increases.

In discussing the situation the Vienna Zeitung am Mittag says: "It is unnecessary to convince us of the futility of the chancellor's visit to London before proceeding to a vote on fusion with Germany. Now that we know where we are, it must be postponed no longer."

### OIL BOOM IN NORTH CANADA

Immense Camp Being Formed Along McKenzie River  
Fairbanks, Alaska, March 24.—(By A. P.)—Daniel Cadzow, factor of Rannert House, one of the northernmost posts of the Hudson Bay Co., here today, said mounted police patrols, returning from their annual mail trips from Fort McPherson and McKenzie river districts, declared an immense camp is being formed in the Fort Norman oil fields, with hundreds already en route and others awaiting the opening of spring traffic.

### 120,000 GREEKS IN DRIVE ON TURKS

Careful Preparations Made for Offensive Already Begun in Smyrna

By the Associated Press  
Athens, March 24.—Greek troops numbering 120,000 are participating in the Greek offensive against the Turkish Nationalist forces in Asia Minor. It is reported here.

The Turkish Nationalists are believed to have about 30,000 effectives in the field, but have smaller supplies upon which to draw.

made by the Greeks in connection with the offensive which began yesterday, and it is anticipated here that the Greeks will win important positions with their first drive.

Apprehension is felt here that the advance of Greek forces east of the Smyrna hinterland will throw the Turks into the arms of the Russian Soviet Government of Moscow.

THE call for them has made it a matter of "nip and tuck" to keep the supply ahead of the sales.

But we are doing it, and you may be sure that the men and young men of Philadelphia are appreciating this opportunity (which has been withheld from them for more than five years) once more to buy these wonderful suits which are guaranteed not to fade, with our promise of a new suit for one that does.

Stahl, the florist, 27 South Eleventh Street, is well known to Philadelphians, who call upon him for flowers for very many occasions. His skill as a decorator is well-known, and many notable weddings and receptions in this Quaker City have owed their attractiveness to his efforts. Landscape gardening, too, is one of his specialties.

**Delorah Squam**

YOU'VE been waiting for this announcement, I know, so I'll not delay in telling you that the stores of Edouard D. Kruse, 100 South Eleventh street and 4903 Baltimore Avenue, are quite ready for Easter. Easter eggs, most properly, come in for the greatest share of attention. Chocolate-covered cream eggs are 50 cents, 75 cents, \$1 and \$1.50. Large, hollow chocolate eggs filled with the very finest fruits and nuts, chocolate covered, are \$2.50, \$3.50 and \$4. You'll find at Kruse's all those delightful Easter favors dear to the hearts of the kiddies—bunnies and chicks of solid chocolate and white rabbits to be filled with tiny Easter eggs. It's a wise plan to buy your Easter "goodies" today or tomorrow if possible.

WHILE it's not strictly true to say that "clothes make the man," they certainly go a long way toward creating a favorable impression, and where is the man who will not put on a new necktie just to show that he is aware that Easter has arrived? MacDonald & Campbell, 1334-36 Chestnut Street, have a particularly interesting stock of haberdashery this season—new silk shirts in the most attractive colors, new gloves, new scarfs (very reasonably priced, too) and some very good-looking handkerchiefs. Any of these articles would make Easter gifts that are sure to be acceptable, and I'm certain that you'll be delighted with their quality. Remember, too, that a man likes to receive a gift from the store of MacDonald & Campbell.

FOR the engagement ring—most precious of all gifts—the Polish Girdle Diamond is invariably the choice. It is, in the first place, one of the very finest diamonds to be had, and it is cut and polished according to a special patented procedure, which brings out the hidden lights of the stone as no other method can do. It is quite fitting that the most precious of all precious gems should be chosen for the engagement ring; most fitting, too, that it should be mounted in an exquisitely designed setting. You will find no more beautiful stone than the Polish Girdle Diamond (exclusive with Bailey, Banks & Biddle Company) and no more artistic settings than those designed by Bailey's artists.

LUCKY is the man and most fortunate the woman who receives for Easter a pair of socks or silk stockings from the store of Scott & Hunsicker, 108 South Thirteenth Street. They have good hosiery—hosiery that wears well and looks well—and just now they're having a sale. Women's silk stockings, in black and coors, that were \$1.75, are now marked \$1.45; \$8.15 a half dozen pairs, and those that were \$2.35 a pair are now \$1.90; \$11 a half dozen. Men's seamless cotton socks, in black, white and colors have been reduced from 40 cents to 25 cents a pair; \$2.85 a half dozen, and pure silk and silk-and-lisle socks from \$1 to 69 cents a pair; \$3.45 a half dozen. You'll not regret a visit to Scott & Hunsicker's this week, for these are the best values in hosiery that I've seen in a long time.
