stock and milk, adding one-half cup of finely chopped parsley.
 Mix and then fill each half of egg, rounding up well to egg-shape. Wrap a nicely browned strip of bacon about each prepared portion of egg and fasten it with a toothpick. Garnish with a spray of parsley.

Malted Egg Custard
 One cup of sugar.
 Yolks of four eggs.
 Three tablespoons of butter.
 Cream until a delicate light lemon color and then place in a saucepan.
 Three cups of milk.
 Two-thirds cup of cornstarch.
 Dissolve the starch, bring to a boil and stir constantly. Then add the prepared eggs and sugar and beat to blend well. Cook slowly for five minutes and then flavor and remove from the fire. Rinse the custard cups with cold water and then turn in the custard and let chill.
 To serve: Turn from the cup and split and fill with whipped cream. Garnish with a maraschino cherry.

Angel Cake
 One and one-quarter cups of powdered sugar.
 Three-quarters cup of flour.
 Eight tablespoons of cornstarch.
 One-half teaspoon of salt.
 One teaspoon of cream of tartar.
 Two level teaspoons of baking powder.
 Place in a bowl and sift six times. Now add three tablespoons of cold water to the whites of nine eggs saved (two) from the duchess rice cakes. (three) from the frozen eggnog and (four) from the molded egg custard. Turn on a very large meat platter and, with a wire spoon, whip to a white snow. Fold in the prepared flour and sugar a little at a time and turn into an ungreased pan with a tube in the center. Bake for fifty minutes in a slow oven and then turn upside down to cool. Dust with powdered sugar.

Deviled Eggs
 Boil one-half dozen eggs hard and then cool and remove the shells. Cut in half, lengthwise, and then remove the yolks. Rub them through a sieve into a small bowl and add:
 Two tablespoons of melted butter.
 One teaspoon of grated onion.
 One-half teaspoon of salt.
 One-half teaspoon of paprika.
 One-half teaspoon of mustard.

A SOLEMN REFERENDUM
 If we took a nation-wide referendum on the question "what is the cleanest, most nutritious breakfast cereal in the world," there is no doubt that the verdict would be in favor of **Shredded Wheat Biscuit**. It is something more than a breakfast cereal. It is a substitute for meat, eggs and potatoes for any meal, much more nutritious and costs much less.

Two Biscuits with hot milk make a warm, nourishing meal at a cost of a few cents—the most real food for the least money.
