

DANCE AT EMERGENCY AID

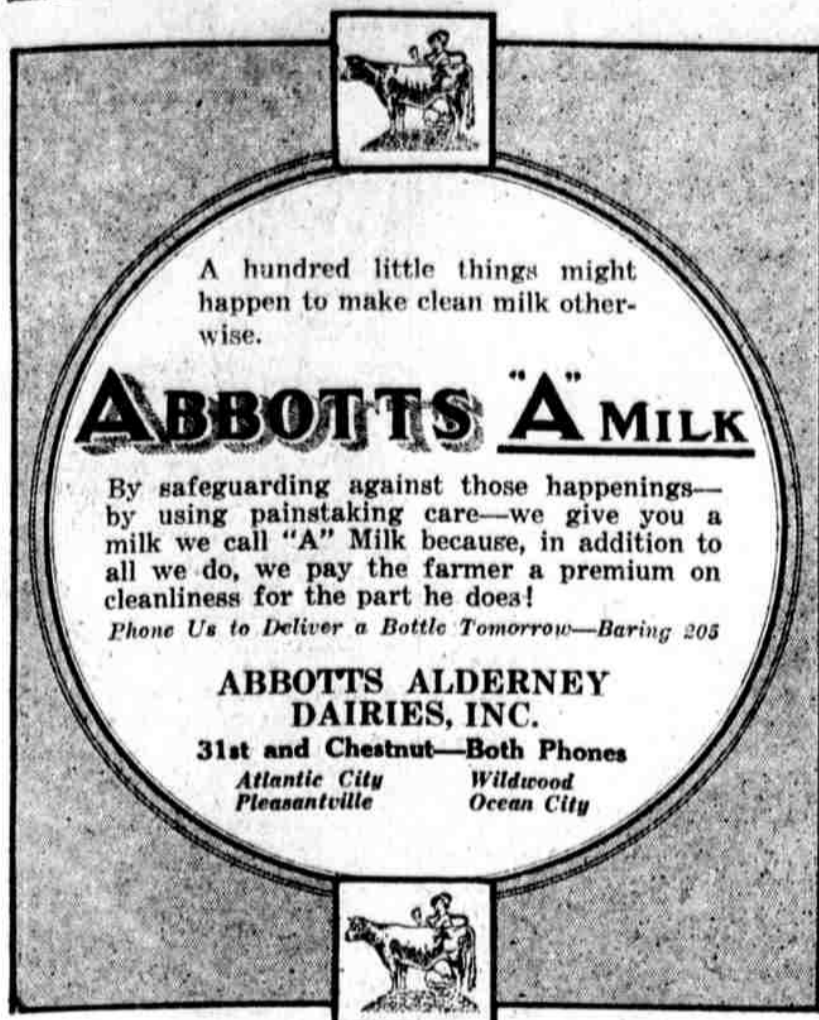

Proceeds Will Be Used for Home Relief Work

The second of a series of benefit dances arranged by the Emergency Aid of Pennsylvania will be held tonight in the ballroom of that organization at 221 South Eighteenth street. The proceeds will be turned over to the home relief committee which is providing relief for many deserving families in Philadelphia. One of the features of the evening

will be specialty dances by Miss Mary Ernestine Coleman and Jack Whiting, who scored a big hit in the recent production of "Why Not" by members of Philadelphia's younger set. The dance will be in charge of a committee headed by Mrs. John Warner.

Mask Carnival Tonight

An April fool mask carnival will be held at the Third Regiment Armory, Broad and Wharton streets, tonight. Prizes will be awarded for the best costumes. The masquerade will begin at 8 o'clock.

A hundred little things might happen to make clean milk otherwise.

ABBOTTS "A" MILK

By safeguarding against those happenings—by using painstaking care—we give you a milk we call "A" Milk because, in addition to all we do, we pay the farmer a premium on cleanliness for the part he does!

Real Business Reasons
why you should buy
Newton Coal now

- You will save money**
Our Spring prices are now in effect. In previous years there has always been a steady rise in coal prices during the Spring and Summer, highest levels being reached in the Fall. We have no reason to expect that this year will be an exception, and our past experience leads us to believe that Fall prices will almost certainly be at higher levels than our present prices. The proposed tax on anthracite coal makes an even more than normal increase probable. Fill your bins now. From a business standpoint, you cannot invest your money to better advantage.
- You will be assured of Newton quality coal**
Newton coal is the best selected, best cleaned, best delivered coal at any time. Now we are able to select it with more care and to get cleaner coal than is possible in cold weather.
- You will escape coal worries next Fall**
With your bin full of Newton coal you will escape the mad scramble in the Fall. And unless more people than ever buy their coal now there will be a big shortage next Fall—with its resultant keen competition to get coal and the high prices such competition brings.
- You have the use of the Newton Service Department**
Our Heating Experts will give you advice about how to run your furnace most efficiently. This service is yours whenever you care to use it.
