**An All-Wool Suit Is the Safest Thing for April, Sir!**

**\$25 to \$37.50**

Remember his dismay when the sleeves reached the elbows and the trousers reached the knees? Well, April's here again, ready to turn on the showers!

That's the word and if you're a wise man you'll buy your Spring suit at Wanamaker's. In the Gallery Store for Men, a few steps down from Market Street, there are well-tailored, all-wool suits in semi-conservative styles at \$25 and good choosing on up to \$37.50.
