# FIGHT TARIFF BILL **CHANGES IN HOUSE**

Fordney, Supported by G. O. P. Leaders, Declares Measure Must Pass Unaltered

By the Associated Press Washington, April 15 .- The runer ency tariff bill mut pass the House in the form in which it was introduced. Chairman Fordney, of the ways and means committee, declared today as the

combined and antidumning measure. Democratic lenders had half a dozet amendments ready to offer, but Reublican lenders hoped to have them

Provisions of the bill were taken up section by section in today's speeches to five minutes. Lenders pressed for a final vote before adjournment, but opponents of the measure merits it and not because Mexic

Representatives who made an unsue- of the

sentiment in favor of an increase, and predicted that a membership of 460 would meet with approval. A number of representatives from states that lose seats if no increase were authorized and who voted for maintain-ing the present size of the House, now favor a compromise, he added.

During the last session the House

voted to hold its membership to 435, re apportioned on the basis of the 1920 census. The bill died in the Senate

Mr. Siegel said he probably would in-troduce a bill in a few days to increase the number of representatives to 460. He already has introduced a resolution calling for a constitutional amendment that would permanently limit the size of the House to 500 members. Representative Blanton, Democrat, Texas, has in troduced a bill reducing its size to 304
