and interesting millinery fashions copied by our own milliners from Paris sketches.

Made mostly of ribbons-ribbon tied and twisted as only the French know how. Effects that are delightfully flattering. Hats for smart women who know how to wear hats. We haven't seen anything at all like them anywhere in America.

A marvelous three-cornered hat of black and white-a turban of pearl gray and blue-a light and beautiful hat of straw braid and navy ribbon-a youthful black and blue hatunusually small turbans with maline or pompons-a dress hat of black velvet with maline-and many others equally effective. Their prices are particularly moderate. (Market)

running principally to the gray and beige tones so fashionable this season. Plenty of browns, dark blues and French blues, too. The new prices are close to wholesale costs. (Market)

HALF PRICE Women's Mercerized Stockings, 25c

8000 pair of the nest, softest kind of stockings that a woman wants for every day at 25c. They are of lisle or cotton mercerized from top to toe. They are first quality. There are other 25c stockings in the market, but we think you will find that they do not begin to compare with these. We are selling them at a good deal less than the manufacturer's regular

Hundreds of Charming Low-Priced **Frocks Radiant With Springtime**

Fresh and new and full of April loveliness! Dresses for busy mornings in town. Dresses for luncheons and pleasant afternoons. Dinner gowns, a bit more sophisticated and wonderfully becoming.

The very dress you've been wanting for weeks is here waiting for you.

Prices? So low that you'll probably take two frocks instead of one.

Mignonette Dresses, \$10, \$12 and \$15

Two of these pretty frocks are sketched. Silk embroidery and braid are the principal trimming and the dresses are made with interesting overskirts and flowing panels. Navy, black and brown.

Navy Blue Tricotine Dresses. \$12 and \$15

Every woman needs at least one smart wool dress-it can be worn the year round. Some of these have eyelet-embroidered over-skirts with black satin foundation skirts. Crepe de chine vestees and scalloped skirts are other variations of the mode.

Rustling Taffeta Frocks, \$18 and \$18.75

One has a frilly overskirt and a youthful sash which ties in a bow in back. Then there are delightful checked taffetas, plain blues, browns and blacks. Also crepe de chine dresses at \$18.75.

Beaded Georgette Crepe Frocks-Universally Becoming-\$20 to \$39

Nine, women out of ten want navy blue, brown or black, so here are plenty of these wearable dresses. Every one is made over a foundation of silk or satin.

Sample Dresses and Specially Priced Dresses \$25 \$29 \$35 \$39

Just one, two or three of a kind and every dress a delight. Materials are of the finest qualities, lines are new, and you'll even dis-cern a hint of Paris about many of these dresses. Of crepe de chine, Canton crepe, Poiret twill, tricotine, dyed lace and checked taffeta.

Summer Frocks Are Popping In

Dotted voiles and Swisses, crisp organdies and plenty of fresh, cheerful ginghams bring most delightful visions of Summer. Prices begin at \$4.50 for gingham and go to \$35.
