

NOTABLES TO SPEAK AT LEGION DINNER

Will Be First Annual Affair of Benjamin Franklin Post No. 405 REPORTS TO BE RECEIVED

Notable legionaries from this city will attend the first dinner of the Benjamin Franklin Post No. 405, at 8 o'clock, Wednesday night, April 21, at the American Legion, 1000 Chestnut St.

Speakers at the dinner will include Dr. C. Lincoln Fitch, Colonel Franklin D. Oiler, chairman of the committee, and past national commander of the Legion, William G. Mordock, adjutant of the Department of Pennsylvania; George Wentworth Carr, county chairman; and the eighteen members of the Legion's executive committee in Pennsylvania: Thomas H. Ellis and Roman C. Hisslerick, present commander of the post.

Reports will be received from 14 membership caucuses that have been conducted by a special committee of the post under the direction of L. L. Harrison. It is the aim of officers of the post to achieve second and possible first place in the county membership.

A stand of colors was presented to Louis Howard Fiddling Post, No. 61, by the ladies' auxiliary of this post last Wednesday night. The presentation was made by George Wentworth Carr, former county chairman, and was accepted for the post by Colonel I. Price Ewing, the commander. The meeting was held in the Knights of Columbus Hall, Twenty-eighth and Market streets.

One hundred and fifty members of the Walter M. Goetz Post, No. 245, who are uniformed members of the Veterans Corps, First Infantry, N. G. P., will participate in the sixtieth anniversary of the regiment tomorrow afternoon. The Goetz post flag will be carried by the battalion of veterans.

Changes in the location of company quarters in the First Infantry Armory, due to a reduction of units, gives to the Goetz Post a company quarters, the same as the National Guard companies. The former quarters of D Company on the first floor, have been assigned to the war veterans and after being converted will be occupied as permanent post headquarters.

An American flag, which will be used as the post colors, was presented to the Peirce Fireproof Co., No. 2, at a recent meeting by Mr. and Mrs. Pines, in honor of their son, who died in the service of his country, and after whom the post was named.

Fireproofing Building Materials SHEETROCK WALL BOARD METAL LATH Steel Heart of Plaster METAL COLUMNS Last a Life Time

PEARCE FIREPROOF CO. Office, 1345-47 ARCH ST.

"Shingles to Burn." In South Boston recently some burning grass fell on a shingle roof. Soon some burning shingles blown by a strong wind fell on two other shingle roofs eight hundred feet away. All three of those buildings were destroyed, and a conflagration was prevented only by calling out South Boston's entire Fire Department.

Shingle roofs start fires and spread them. Tin roofs prevent fires and often stop them. Which is the cheaper? For roofs tin is best in every way—but you want the best tin. Ask any contractor to name the best brands. If he mentions NU-DURA-TIN, you're safe.

Store Hours, 9 to 5:30 Discriminating women are fond of Vivaudou perfumes, creams and powders. Quite a treat to get them at half.
