bending over he dreadfully.
Dick Calacdia had an arm about ber shoulders, and Vandaveer was pouring semething burning taste be-

am 12 Where

happened?

Mary looked blank's at idea turing a that she hado t the forestee proclamine of anything of the sour! Only this man filled her with an actual regulsion. The look had a mary a inoffensive head the didn't take him,—even teared him.

"Swallow a little of this ary lear.

"Swallow a little of this ary lear.

Dick took the think from Vandance and held it to Mary a line. "It il do you in world of good!"

Mary obeyed. She would have so allowed any obeyed. She would have so allowed anything of Dick had ordered by the distribution. Dick and held the same great was her held."

In the features as he looked at Mary and little town and Dick talking are mary a inoffensive head the distribution of the him. Mary a lade sandows on the road-side and had the sandows on the road-side and held thereof here the him. She hatest the taste of order to the same Variadancer's reason arm or Mary sold "—but it was for are good.

Dick had enid on Dick must be regist.

A Mary black talanin were very sold. The look of all the name of the distance of the distance of the control of the distance of the distance of the distance of the same o

"Please let me look at it. I'd be never dawned on Dick to suspect Van-awfully careful. I understand a little dayor."

About these things. Out in the wilds.

I've often had to do a bit of surgery.": Tomorrow—"That Cursed Diamond."

MARY woke to consciousness, with He flashed the electric forch on Vandaveer and Dick Calardin Mary's brow and hair. When! Quite a masty knock! He touched the lajured spot with very taken tingers. 'Hold on! No bones token, and it doesn't bleed at all. Well, that a a blessing but it?' He turned to Julian Vandavers :- We can't stay out all right on this it seed road, tinkering with this informal car. Miss Dress ought to get home to bed immediately. She really ught to see a doctor to drive

"And base me stranden bere?" queth, tian Vandaveer. Well, I like that." With a mighty effort Dask suppressed. At the two men. MAT CHRISTIE

Her gaze traveled beyond them into the gloomy shadows underneath the trees. How dark it hades in there out of the radius of the shaddy moon!

She shuddered.

"You slipp dural struck your fees head against the bounct of the car. I think," said Vancinveer glids. "Calardin and I were trakering win the engage to the care of the manual traveled and the engage of the care. It is about three man I we get the care. It is about three miles to the nearest garage. I believe the name of the care of

him. She hated the taste of braudi horrid staff — but it was for are good.

Dick had said so I had must be regist.

She struggled startly to her too.

"I I'm feeling hetter—only lat bord hirts a lat." She put her land at to her car. Vandaveer—alarned hirts a lat. She put her land at to her car. Vandaveer—alarned hirts a lat. "O-oh." There's a lump here! I can t hear to touch it would be sufficient presence of mind to slip his anxious.

"Please let me look at it. I'l be sever dawned on Dick to suspect Vans."

cat,' thought Tuffy to himself. 'I'd like to get into these bags.'

"One day a strange man came along with a cart. He wasn't a regular ragman but was a thief pretending to be a ragman. Tuffe didn't know the man was a thief, and so when the thief stopped in front of a house and left his cart outside while he went inside to get rags and see what he could steal. Tuffy jumped upon the cart and began sniffing among the bags.

Invitations to a Maypole dance should be sent out this week, Since our weather conditions are very uncertain at this time of year, provision should be made to hold the dance in a large room independence on a barn or empty garage in case the date should prove to be rainy. Some hostesses provide for wet-weather contingencies by adding to their invitations this postscript; "In case of rain on Monday, the second of May the dance will be given on Monday, the ninth of May." (Or whatever other date may be chosen.)

For children the Maypole dance should be sent out this week, Since our weather conditions are very uncertain at this time of year, provision should be made to hold the dance in a large room independence on the dance in a larg Invitations to a Maypole dance should

May." (Or whatever other date may be chosen.)
For children the Maypole dance is usually held on Saturday afternoon. For adults, a moonlit evening on the lawn is more attractive. If the evening schedule is in "the dark of the moon Chinese lanterns are used. The Maypole should be planted (a stationary flagsial may be utilised) and the ribbons attached before the canvas is spread on the lawn for the dancers. When the affair takes place indoors, May blossoms should be used for decorations.

to get rid of the witch cat. He grabbed in the shape of a cat with a hole in the back through which money could be slipped to the inside.

"The man shoved the cat bank into the very bag in which Tuffy Thomas was looking for fish, and tied the neck of the sack tight. There was Tuffy a policeman, knocking the policeman for

### Please Tell Me What to Do

By CYNTHIA

Blond or Brunette

Dear Cynthla—Would you and your readers tell us which attracts the men most, the blond beauty or the charms of the dusky hair, dark-eyed, oliveskinned brunettes? And also, dear Cynthla, does the average dancer prefer a tall or medium-height girl as a dance partner?

HELEN AND ROBE. out with another girl I just can't stand but her. These wrote, her jealousy as if it were something fine and precious.

The girl whose nature really is fine doesn't know anything about jealousy, out with another girl I just can't stand but her. It depends entirely on the man. There it." is no definite answer to such a general

Wants Her Love

Dear Cynthia—I have often read your column, but never wrote you for information, but have yielded at last.

Now, I have been going with a young lady for some time. I love this girl and I asked her if she loved me. Her reply was that she liked me, but she did not love me. love me.

I show her lots of good times and I am willing to get her anything she Now

By courtemy and a general making of yourself necessary to her. Study her wishes, and without pushing yourself show her every possible little attention. If she objects, try indifference.

Do Not Correspond With Stranger

Dear Cynthia—The other evening while at a party I was introduced to a young man. A few days later I received an invitation to attend a farewell party that he was giving to a friend. He did not write anything else. I answered and thanked him, accepting the invitation and this note I am sure he will answer. Shall I answer him and keep up a correspondence? Did I do right when a accepted the invitation?

AYETTE AMBITION

Means that she is in love with the young in gable to stand it, and that disagrees ble desire to burt when any one else does get a share.

These are all feelings that would make that he was giving to a friend. He did not write anything else. I answered and thanked him, accepting the invitation?

THERE are so many girls like her who who seem to think that it is absoluted them in their plain, unvarantle in the present of the provided party of the provided party in the provided party in the way of the provided party in the provided party in the provided party in the way giving to a friend. He did not write anything else. I answered and thanked him, accepting the invitation?

THERE are so many girls like her who was all the good things of life, and to have that prickly sensation of not he ing able to stand it, and that disagrees is a pretty deeply in love with Margaret B.

These are all feelings that would make admitted them in their plain, unvar.

But she dresses them all up in the pretty name of "jealousy," and smilles upon them proudly.

They could not imagine going through the provided party in the provided party

Tou were, of course, right to answer an invitation, but there is no reason why your letter of acceptance should be answered nor why you should write again. Certainly do not start a correspondence with a young man you have met only once. Go to the party and be cordial with him, and if he asks to call only once with a young man you have met only once with a young man you have met only once. Go to the party and be cordial with him, and if he asks to call only once with a young man you have the metallic to spoil her fun and her changes.

If it is a sister to love, it is like the unit when you don't want them yourself. You're just a little dog in the man any have them, either.

If it is a sister to love, it is like the unit want them yourself.

You're just a little dog in the man any have them, either.

If it is a sister to love, it is like the unit want them yourself.

You're just a little dog in the man any have them, either.

If it is a sister to love, it is like the unit want them yourself.

You're just a little dog in the man any have them, either.

IT ISN'T very fine of you, and it isn't a thing to be proud of at all.

I'm sure you would he happing. I cordial with him; and if he asks to call ugly sisters of Cinderella, always trying on you some evening, tell him that he may. He probably likes you or would not invite you to his party. Do not spoil a sensible boy and girl friendship by being too forward.

It is not very line of you, and it isn't to spoil her fun and her chances.

And it is nothing to be proud of.

I'm sure you would be happier, I know you would be nicer and finer, if she just can't stand seeing her "friend" you just kept your "jealousy" to you, and it isn't to spoil her fun and her chances.

I'm sure you would be nicer and finer, if you just kept your "jealousy" to you, and it isn't an invite you would be now you would be nicer and finer, if you just kept your "jealousy" to you just kept your "jealousy" to you.

"I believe I'm jealous!" she has evi-
