These tight-fitting sleeves, with their oases at shoulder and forearm, would give exactly the right note for that "different" negligee which the spring bride wants for her trousseau. If she is a statuesque beauty the close-fitting gown with its modish high collar would be extremely becoming-and Elsie Ferguson wouldn't mind being copied, because she's only going to wear it in one picture anyhow. The white fur around the suddenly flaring cuffs is another distinctive touch-be sure < you don't forget to put it in

The Willcox & Gibbs **Electric Automatic**

Automatic, as you perhaps know, means that the tension automatically adjusts itself whenever you change threads or goods, from the lightest to heaviest or back again. Electric-this is the machine with the direct drive motor, the only type that is perfectly quiet in operation and that will remain noiseless forever. Imagine the enjoyment of owning this silent, finely built, portable sewing machine, which has no bobbins to wind, and which sews a seam as strong as three threads. You may buy it on easy payments. Call and see it run, or phone for a free demonstration in your own home.
