PENNSYLVANIA MOTOR FEDERATION Hobert P. Hooper. President Paul C: Wolf, Secretar J. Bortom Wee:
Ghairman Good Roads

He traveled only three salesmen!

We were telling him about the L. B. Sales record. "That's fine for the big business," he said, "but I'm traveling only three salesmen."
For answer, the L. B. representative told him of a number of concerns in his line using the L. B. Sales record.
"Suppose you are traveling only three salesmen. Why, that's all the more reason why you need an L. B. Sales record. You want to grow, don't you? How in the world are you ever going to get business if you don't actually go after it? And how are you going after it if you don't keep an accurate record of your sales and prospects?

That may sound like rough talk but it's sound logic. It helped this particular sales manager to find the only real method he ever had for keeping in touch with his business.

Yes, Sir! We'll be glad to help you, too, to find the sales record best suited to your business.

A motor car that is fundamentally new in design, in the materials of which it is constructed, in the precision and proprietary pride of its workmanship-

That is the achievement of Mr. C. Harold Wills in the Wills Sainte Claire.

We who build the Wills Sainte Claire in Marysville, have each one of us, put into this car the fullest measure of our skil and loyalty - the best there is in us. Therefore, it is our obligation to you, as well as to ourselves, to see that that best is exceedingly good.

It is with such confidence in our accomplishment that we invite you to see, ride in and for yourself experience the Will Sainte Claire.
