TO DEAD ARON BILL

Contract Street Cleaning Measure to Amend Charter Withdrawn on Senator's Orders

FIREWORKS ACT IS SAVED

By a Staff Corresponden Harrisburg, April 28.-The Aron bill to nullify the section of the Philadelphia charter which permits the city to do its wn street-cleaning work is dead.z By one of those odd coincidences litics Senator Edwin H. Vare, head of e Philadelphia combine, and George Coles, once chairman of the Town seting committee, and late chairman the committee which conducted the ore campaign for Mayor, acted joint-

ly as the undertakers.

Although the incident resulted in the burial of the Aron bill, it provided one those humorous moments which help enliven the closing nours of the Gen-

How Bill Was Buried

Here is how the Aron bill was bur-by Undertakers Vare and Coles: When the bill came up on the House second reading calendar. late last night, Representative Leopold C. Glass, the Vare floor leader in the House, took the floor and asked that it be postd indefinitely

In support of this motion for postthere was bitter opposition from the charter revision committee. Then it ended with the following

thetic plea to Senator Vare, to whom was addressed: "I hope you will do all you can to defeat this bill." The House had a good laugh, Representative Franklin Spencer Edmonds, the Moore floor leader in the House.

ook hands with Glass and congratu ated him, and the bill was given a de-Fast living is really one of the con-

tributory causes of the death of the measure. It traveled through the Senste so fast it lost vitality, going the entire circuit of the upper chamber from the time it was introduced until passed finally in thirty-six hours. Say Brown Opposed It

There is some talk that Municipal Court Judge Brown, who appears to be very much interested in the doings of the Legislature, added his influence agninst the bill in the final moments. An eleventh-hour attempt to spike the Daix fireworks bill and destroy its effectiveness failed in the House late last night, and the bill was scheduled for

night, and the bill was scheduled for final passage today. Representative Hugh A. Dawson, of Lackawanna, offered an amendment which proposed to strike out the word and substitute "prevent.

"This emasculates the bill and destroys it," yelled Representative Golder, Philadelphia, as soon as the reading clerk finished reading the amend-

bers leaped to their feet and howled the nendment down. Provisions of the bill give cities the right to regulate the sale of fireworks. Its passage was advocated by Philadelhis city authorities and by women and

nen connected with civic organizations. red to the manufactures committee, which Representative Hess, of Lan-

to be spread over sixty to eighty years, which arrangement, the Belgians declared, would be equivalent to no payment at all. The 50,000,000,000 gold marks did not represent one-half the sum fixed by the Paris conference, they asserted.

GERMANY'S OFFER

GERMANY'S OFFER asserted.

It was announced by Reuter's Limited today it had leurned that France had instructed Ambassador Jusserand in Washington to thank the United States Government "for its assurance that the United States would not describe the described to the des

that the United States would not de- ment of news from Washington re-

tion obtainable here today, no further steps will be taken in this situation un-American participation in the Lon-don deliberations is hoped for in French circles, where it is stated an invita-tion will be sent to Washington to have representative of the United States

The discussion in the Supreme Council. it is indicated, will be opened by presentation of the French case, with the details of Germany's defaults in the execution of the treaty of Versailles. Her failure to pay the balance tions proposals was expressed by Lonof 12,000 0,000 marks on her 20, don newspapers today. There was a
000,000 marks debt due May 1, her
unanimous expression of opinion that
refusal disarm, her failure to bring the German terms were insufficient and ooo,000 marks debt que and refusal disarm, her failure to bring to tris flicers accused of war crimes, and her resistance to the proposed nethods for payment of indemnities, will be set forth as justifying further penalties and the taking of further biedges.

After this the German propositions just transmitted to Washington will be taken up.

The Allies can negotiate with Wilhelmstrasse.

"The Allies will be delighted to accept the good offices of the United cept the good offices of the good o

of a beginning on the actual fulfillment of Germany's obligations should arrest the pressure of the Allies. The first actual beginning, it is suggested, might be the delivery of 1,000,000,000 marks in gold from the Paichbach and a nold friend." in gold from the Reichsbank reserve, as demanded by the reparations commission. This would be considered as tangible evidence of intention to execute the treaty in default of which the
