

Athletics Repeat Victory Over Washington : Phillies Lose in Ninth, After Rally by the Dodgers

PENN VARSITY EIGHT RECEIVES SHAKE-UP

Coach Wright Promotes Howell, Rosenberg and Guenther to the Varsity Eight.

COPELAND TO TAKE REST

Coach Joseph Wright, of the University of Pennsylvania crews, did the expected. Last night he changed his senior and junior varsity eights after their defeats at the hands of the Midshipmen at Annapolis last Saturday afternoon. Penn met the Navy with make-shift crews, the result of changes made necessary by both eights because of the sudden illness of Bill Chambers, who was rowing No. 6 on the senior. Copeland was sent to the varsity in his place and on Saturday morning Sir Joseph made several other changes, Joseph made several other changes, and dropping Copeland out of the boat and placing Jellinek in its seat.

Yesterday afternoon the two boats had raced in several places. Charley Mitchell, the 143-pound stroke, who rowed brilliantly against the Navy at eight, is at stroke, with Waldfeld at six. Last place means that team must give up for the right to stay in the league with the first team of the lower league.

The Country Club, Philmont, and Riverton, are the weaker teams in the league. Therefore the clash today between Riverton and Philmont, at Philmont, means that the winner will have so much less chance of finding itself in the cellar at the end of the play. Philmont is likely to win on its own course.

The line-ups today will probably be as follows:
