# LEASE LOST

### We Are Forced to Vacate! Everything Sacrificed.

Our announcement that we had lost our lease and were forced to sell our entire stock at a great sacrifice was followed by the greatest rush we were ever called upon to handle. For hours at a time on Saturday dozens of men patiently waited their turn for a salesman, despite the fact that 70 of them were on hand to handle the rush. The people were simply astounded at the bargains they saw here. And no wonder! Everything in our stores was cut fifty per cent and more in price! Suits, for instance, that we had been selling at a close margin of profit for success this season at \$25 were cut to \$12.45! And so on throughout our entire stock—everywhere buyers looked they saw bargains that amazed them. This sale has only started! There is \$600,000 worth of goods to be sold. So come and make the most of your opportunities to buy wearing apparel of such high quality at such tremendous savings.

## You Can't Buy Better-Looking Straws Anywhere—At Any Price

Y of our hat straws are the Kaufman price at \$2.85. They will not get the same quality. Kaufman Straws are not in the class of hats marked elsewhere at \$4.85 and up.

We emphasize that our straws are the identical brand and style that the highest hat makers show at very much higher prices. We don't ask you to take the best for granted. Do yourself the good turn of proving this fact to your satisfaction.

Come in and get a straw you'll be proud to wear at a price you like to pay.
